FLAGGIRLS MARCH WITH PATRIOTISM

The Flaggirls marched with patriotism as the band played during half-time and at parades displaying a variety of traditional flags. They were asked to put on a special flag presentation during halftime to show the flags and what they stand for. They had several fund raising activities, such as, bake sales, car washes, Tupperware parties and paper drives.

Bottom Right: Peggy Barclay and Debbie Murdock's eyes sparkle with excitement as they watch the game.

LETTERGIRLS CAPITALIZE HOOVER PRIDE

The Lettergirls capitalized Hoover Pride by accompanying and performing with the band at all half-time shows and parades.

They sponsored Bow Day during Homecoming Week and American Day during International Week.

Top Left: Trish Karle and Stacey Gere start to march onto the field to perform during half-time. Bottom: Lettergirls are from left; Linda Booth, head, Trish Karle, Stacey Gere, Jann Long, Pam Becker, Cheri Nelson, Melody Stevens, Cathy Momjian and Janelle Girardi, alternate.

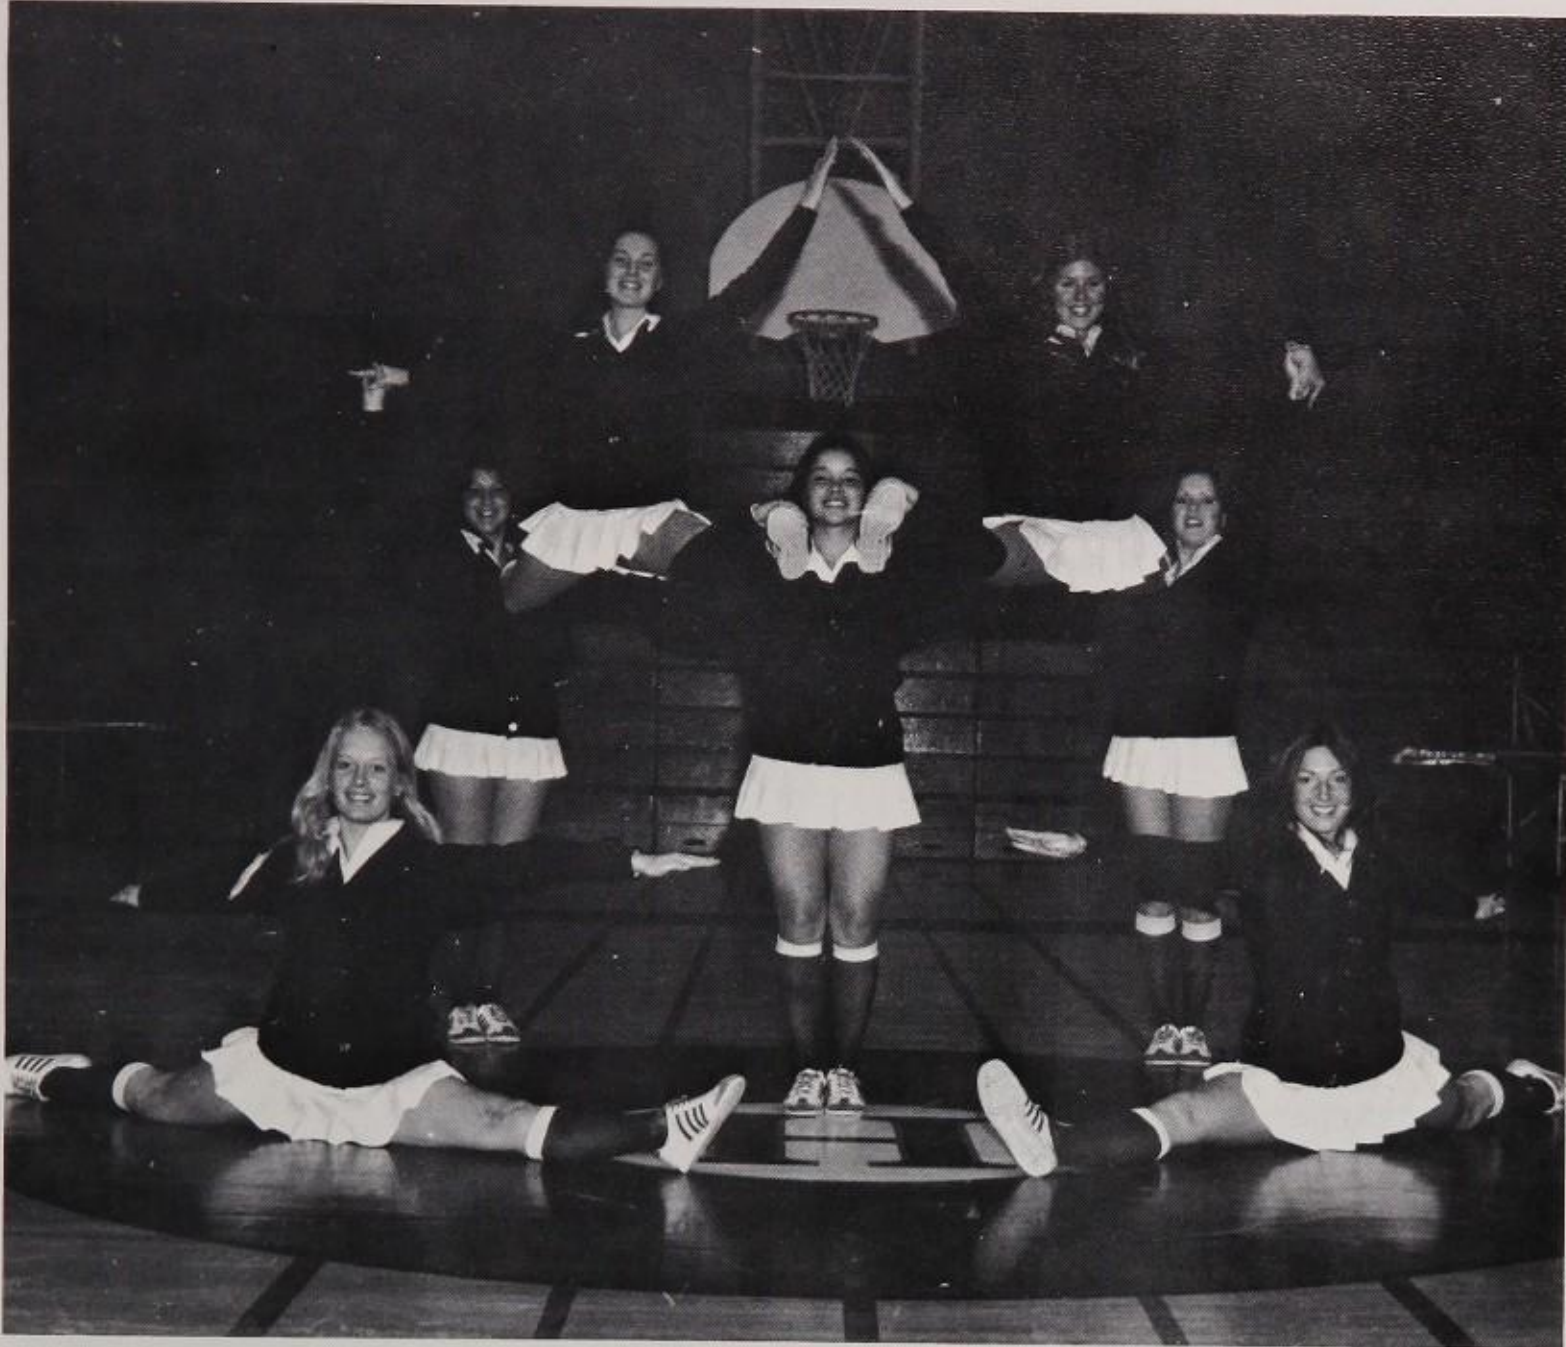

The 1974-75 Varsity Cheerleaders proved themselves once again. In the summer they attended a speciality camp in which they received the first place trophy. The girls won blue ribbons everyday they attended camp. For their outstanding spirit they received the spirit stick. During the summer the Cheerleaders also helped the Hoover Boosters by selling snow cones at a fireworks stand. They also participated in the Hootenanny as Boo-Boo and the Bullardettes.

CHEER FOR SPIRIT

1974-75 PEP GIRLS

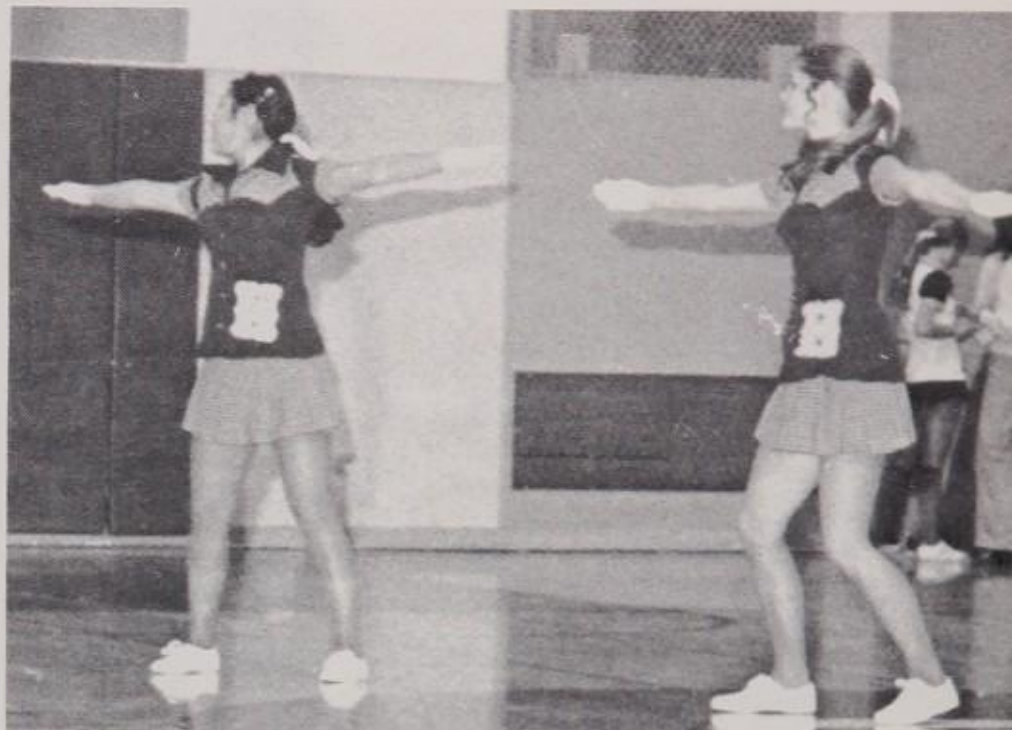

The Hoover 1974-75 Pep girls have competed in many state-wide competitions and brought home a superior trophy along with 32 ribbons from NCA Camp. Kristy Peters was voted as head Pep girl. At Hoover's talent show the Pep girls added some sparkle by doing a "dancing machine" routine. They entertained as well as brought out more spirit during football and basketball games.

THE QUEEN AND HER ATTENDANTS

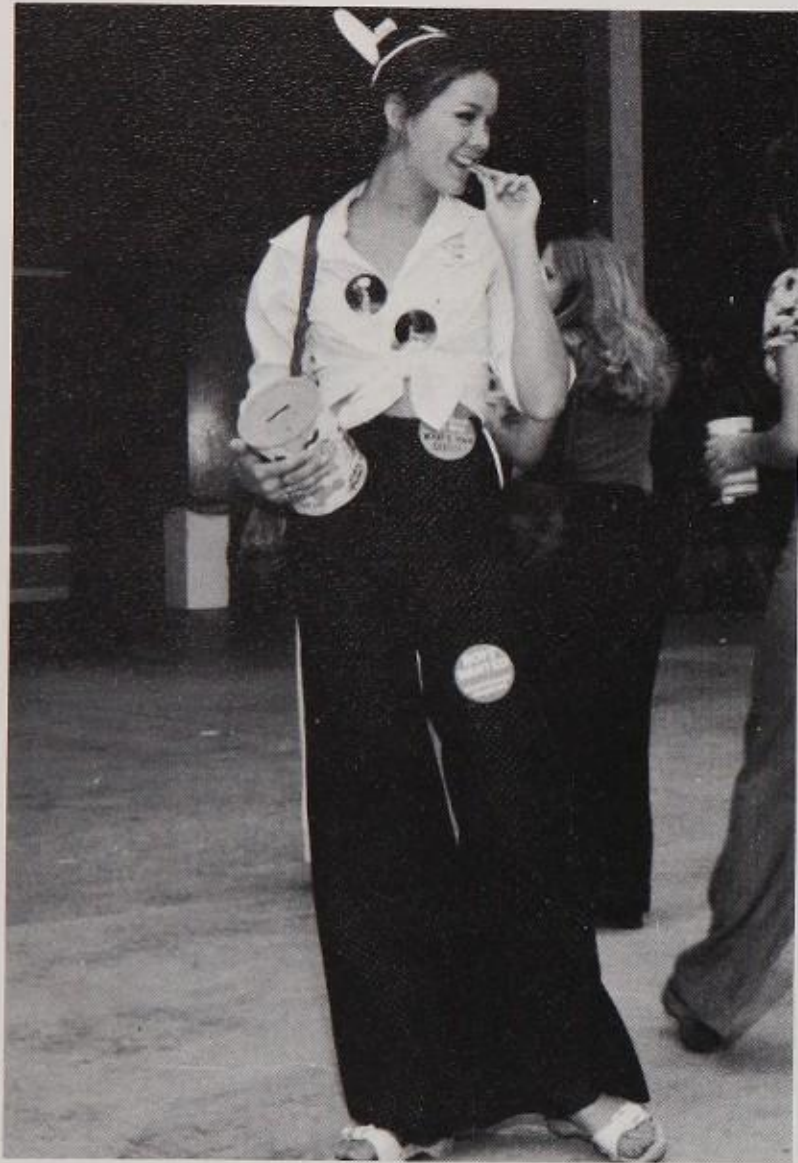

This was the third exciting year that Hoover High beat Bullard High during the annual Homecoming game. The score was 10- 7. One of the highlights during half- time included the crowning of the radiant 1974 Homecoming Queen; Wendy Small, and her Attendants, Stacy Gere; Senior, Julie Edwards; Junior, and Brenda Heinrichs; Sophomore Attendants.

GREEN AND WHITE PRIDE: HOMECOMING

During the Homecoming Week, each day was assigned with a different activity. The Patriots participated in such activities as Hat and Button day, in which everybody topped the day off with buttons. Wednesday was Clash day, which consisted of stripes, polka-dots, plaids and prints. That evening was the Hootenanny with skits and cheers for all. Next was Green and White day and beat Bullard day, in which the Patriots dressed up in their school colors scampering around yelling "Beat Bullard." Then that night, the game was held. The last day was Friday, which included Bow Ties and the dance that evening.

50'S THE YOUTHS OF YESTERDAY

Think back, remember the good ol' days when the dry look was out and the slick was in. The theme was the 50's and the scene was a sight with the beep bopping Pates dressed up from their shades, pendants and coonskin coats to down to the knee skirts, tennis shoes and bobby socks. During lunch time the Patriots participated in events such as the hula hoop contest, best dressed girl and guy and the dance contest. The entertainment for the afternoon was brought to the Patriots by Bruce Kapp and the Hub Caps.

PULL FOR YOUR CLASS

The pull of the classes was on during Class Competition week. Seniors, juniors, and sophomores were all competing against each other in several activities. The tug-of-war, bubble-gum eating contest and a volleyball race were a few of them. These activities helped to boost class pride during the football season.

Top left: Juniors, Debbie Hackett and Julie Edwards are shoving and chewing as many pieces of gum their mouths can hold and still blow a bubble. Top right: A sophomore proving that she can still blow a bubble with several pieces of gum crammed in her mouth. Bottom: The Senior class pulled the Sophomores down during a tug-of-war contest.

PATRIETTES IN ACTION

This year's Powder Puff football team was sponsored by Campus Life. The girls were drilled, exercised and coached, by members of the Varsity football team. Steve Throehler was the Head coach. Their wins included Roosevelt, Clovis, Washington, Tranquility, and Fowler. They competed against eighteen other high schools for the Valley Championship. It was held at Clovis High where Hoover finished fifth.

YOUTHS FROM THE FOUR CORNERS OF THE WORLD

This year's International Week caught the eye of every race, color and creed. They had everything from chopstick contests to strumming the strings of folklore. The patriots ate dishes from oriental rice to Apple pie. Each day involved events from every different nationality. To the students of Hoover High School, it was a week of sharing laughs and friendships.

Top right: Mr. Dale Hammel, along with students, laugh over the Chopstick Contest. Bottom left: Thomas Schild, Hoover's foreign exchange student, takes a casual stroll across the quad. Bottom right: Rythmic vibrations from the beat of the drums.

MADRIGALS SING WITH INSPIRATION

The Madrigal Singers had their usual busy season entertaining many school, church, and civic groups. They were selected to sing for the lighting of Fresno's Christmas Tree, sang in the Fresno-Madera Honor Chorus, and participated in the Small Ensemble Festival at FSU.

JUST AN OLD FASHIONED CHRISTMAS

The beautifully decorated Pate Pavillion set the scene for Hoover's 1974 Christmas Formal. The Formal was highlighted by the sounds of March Hare and the crowning of the Christmas Formal Queen, Paula Mueller and her attendants, Jenny Allen, senior, Stephanie Natterstad, junior, and Judy Tilghman, sophomore. The theme for the annual girl-ask-boy Formal was "Just An Old Fashioned Christmas." The mood was carried out beautifully by the creative efforts of the hard working senior class.

TEN LITTLE INDIANS

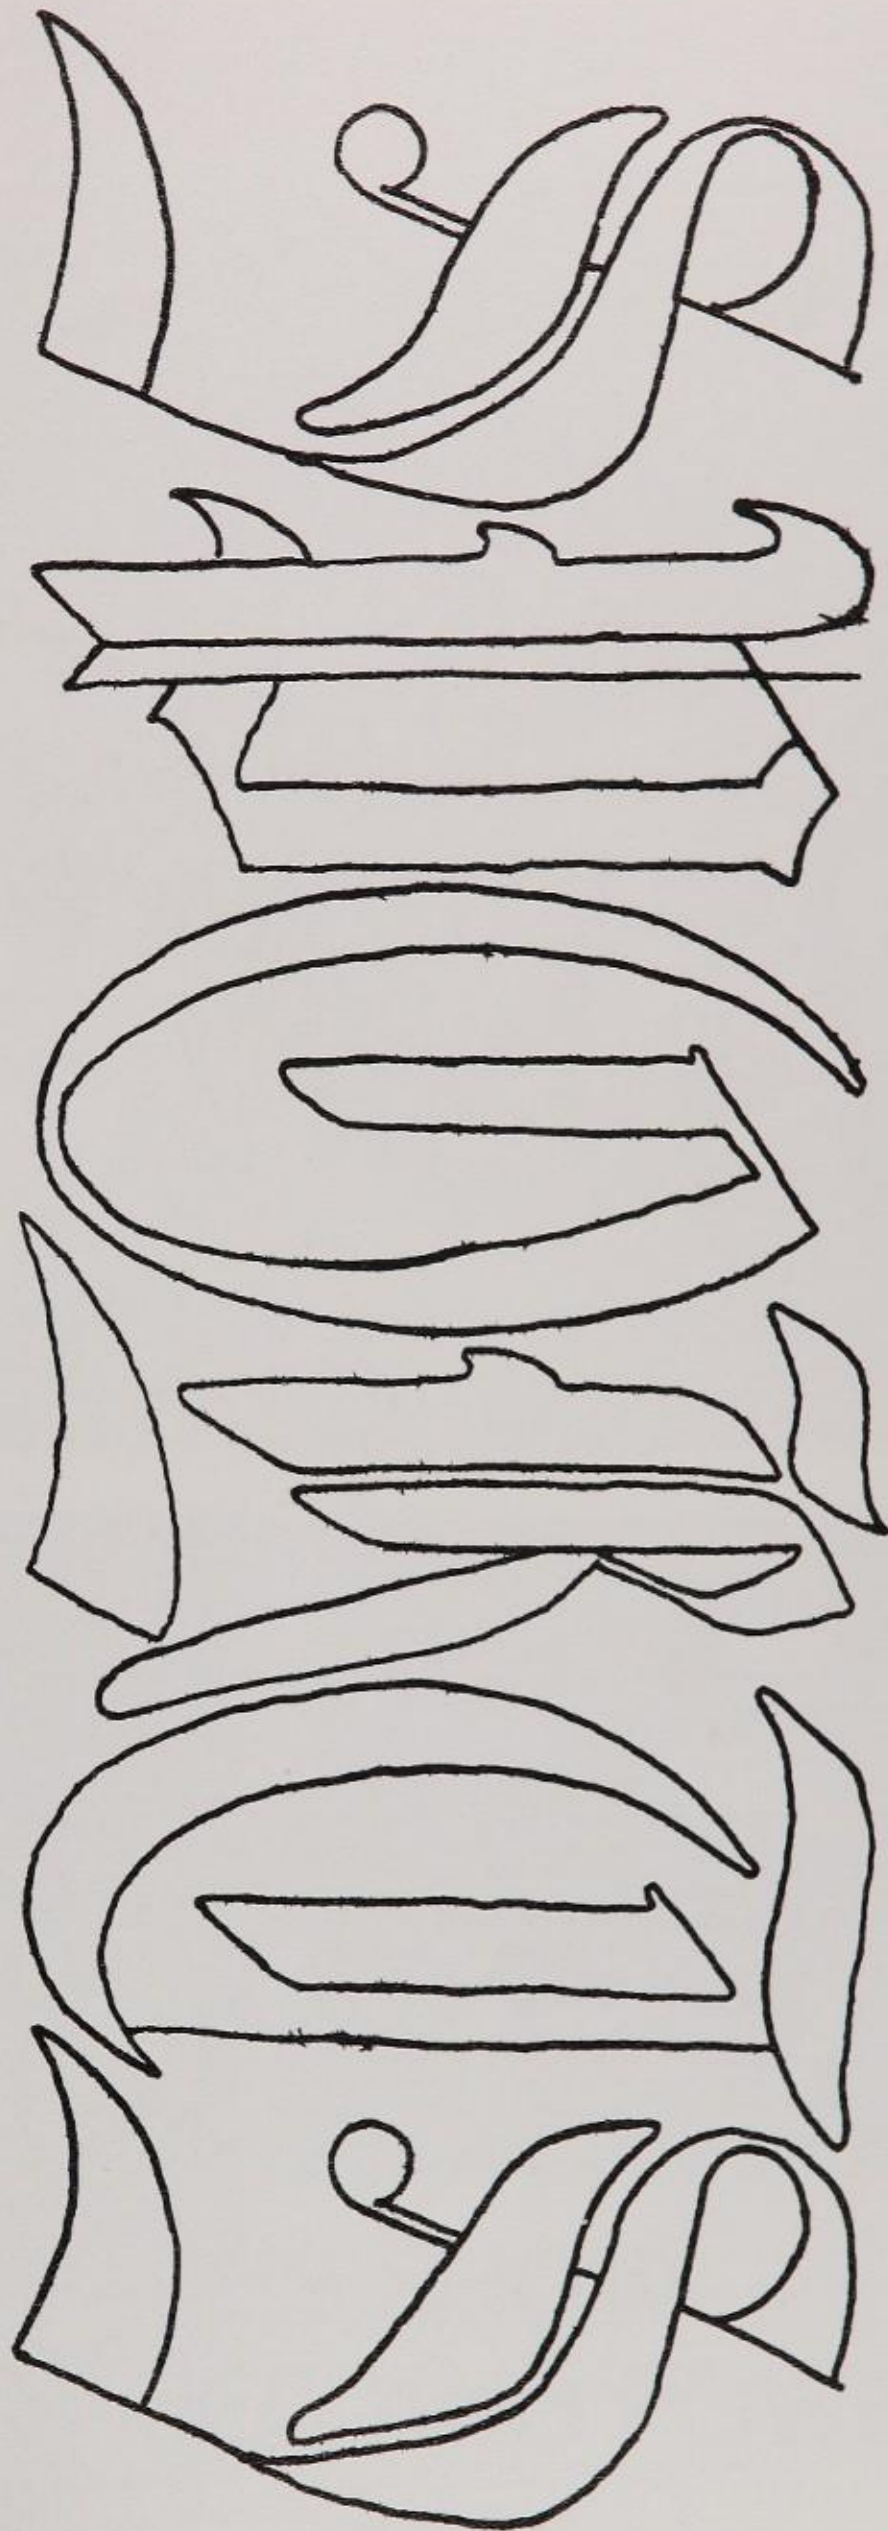

The drama department worked very hard this year perfecting their plays. They put on Hoover's Talent show called Pate Potpourri which captivated a record crowd.

Another play, Ten Little Indians was performed fantastically. The cast consisted of Howard Ainsworth, Kathie Applegate, Bruce Chaderjian, Bev Davis, Tom Fiske, Forrest Helmick, Julie Kroger, Mike Lauzon, Tim Reese, George Temple and Margaret Teurlings. Members of the crew were Cathie Carver, Karen Own, Ralph Uribes, Jeff Hilton, Melody Troutman, and Bob Riding. Mr. George Roth was the director and Mrs. Jan Young was the executive producer.

PATES SHOW
SPEED AND POWER

PATE PRIDE DOESN'T HIDE!!

Hoover's Pate Pride still stands high and always will. Last years coach Jon Anabo left to coach at Bullard High. Coach Dave Harris filled the position, and did a fine job. This year's season proved to be a very trying, and learning one. Hoover stood high and fought everytime. At this years sports award banquet, coach Dave Harris presented the following awards. The Captain Stars went to two players that the team selected and they are; Randall Nixon and Rod Horn. Most improved went to Ron Storelli. KYNO presented the back and lineman awards. Back went to Steve Trohler, lineman to Tim Van Pelt. Coffee's presented the annual Coffee's Blanket Award that went to Rod Horn.

J.V.S HUSTLE

Although their overall record was not impressive, the 1974 Junior Varsity football team had some fine athletes and should contribute greatly to Hoover's future championship teams. Len Bacome was a new addition to Hoover's football coaching staff. He proved to be a very energetic and enthusiastic person and did a great job with his team.

It was a fantastic season for Hoover's Water Polo team. They had a record of ten wins and only one loss. This is only the second year Hoover has had a water polo team. They qualified for the Valley playoffs and finished with third place.

Mark Walker was the top scorer this year with twenty-seven goals. He also received the Varsity Coaches Award and the Most Assists. Varsity Most Valuable Award was given to John Fletcher. The Varsity Captains were Gary Glandon and Glen McFarland. Jeff Arkelian received the Most Valuable Award on the Junior Varsity team.

HARRIERS TRUCK ON TO THIRD STRAIGHT TITLE

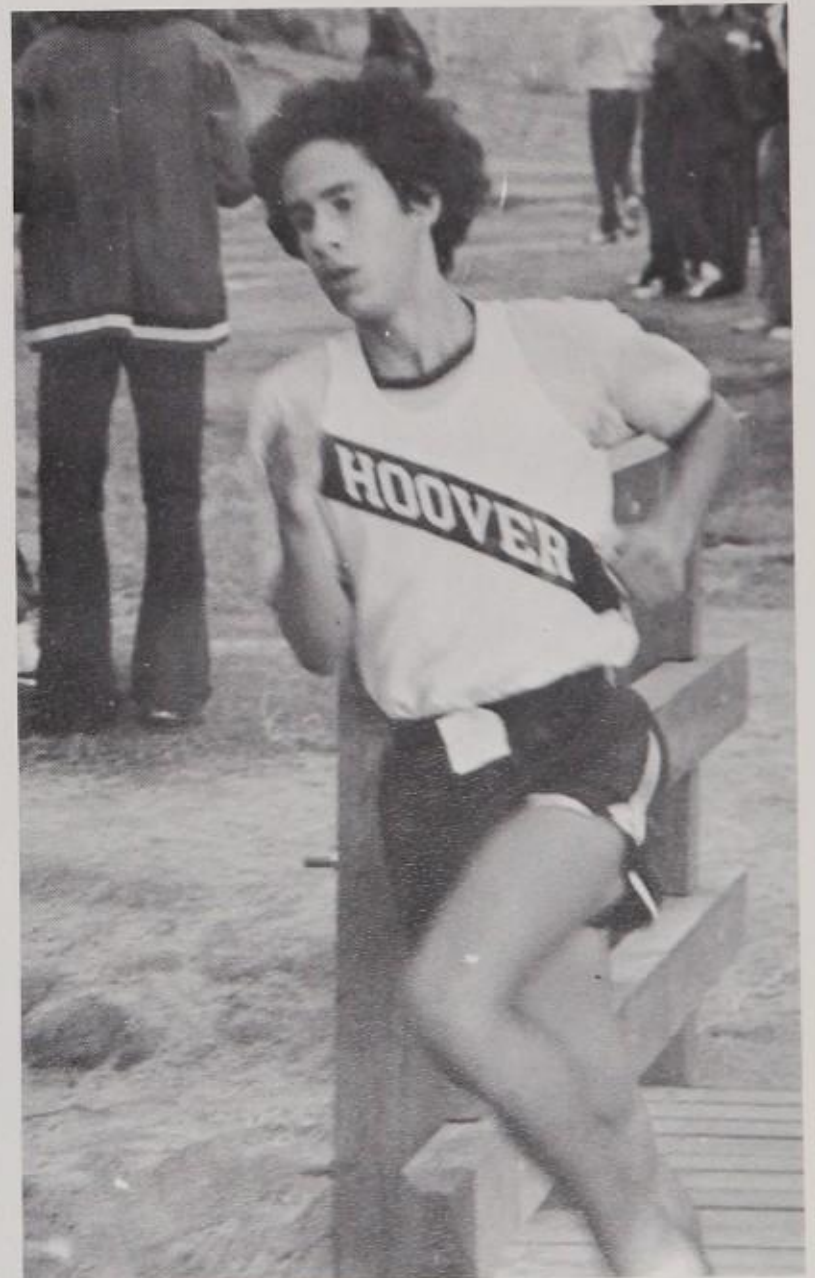

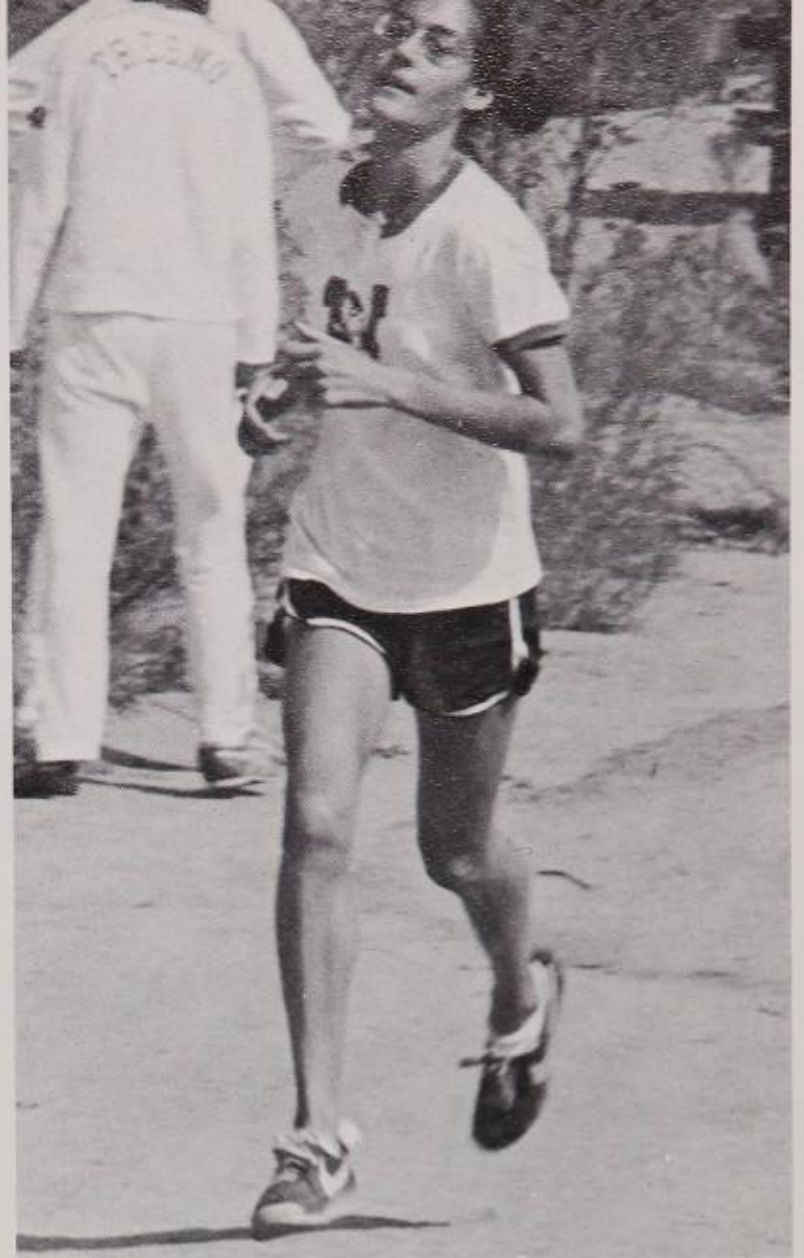

Again this year, Hoover produced a fine Cross-Country team under the experienced coaching of Dave Cords. The Varsity team won the City meet for the third straight year in a row and finished second in the Valley for the second year in a row. The Junior Varsity team won the City title and the Sophomore team came in third. The Varsity team had a dual meet score of five wins and one loss. This was their first loss in three years. This was the first time in over fifteen years that a City team has achieved a perfect score in all the dual meets against other City teams. The top Varsity runners were Alfred Lara who finished first at the City meet. Sharon Halper, Hoover's only girl runner was outstanding with a first place at the Merced Invitational meet.

HOOVER TRACK IS #1

Few words are needed to describe the 1975 Varsity Track Team. Their actions spoke louder than words. While Bryan Foley and Alfred Lara delighted sports writers with their performances, there were people behind the scenes who went almost unheard of. They are the coaches. The team gratefully owes their success to the knowledgeable and expert coaching of Frank Fletcher, Dave Cords, Bob Porter, and Dick Snedden. Under what is believed to be the finest coaching staff in the Valley the team captured many honors. This included the City, N.Y.L., and Valley Finals.

PATES SHOW WHAT PRIDE THEY HAVE

You did it again Hoover! Hoover's Soccer team took the valley for the second year. This year the pates started the season great and ended the season even better!! This year's captains were Ron Storelli, Jerry Magdelano, Rick Culver and Pat Gish. Hoover was invited to two tournaments, the Central Mid Valley Tournament in Manteca, and the Invitational Holiday Tournament at Clovis. Hoover placed first in both tournaments. Eight of Hoover's players qualified for the "All Stars" and "All Metro".

At the Fall Sports Award Banquet, the following awards were given to; Most Outstanding Defense, Jerry Magdleno, Most Outstanding Offense, Don Pardo, and Most Improved, Robin Peterson. Coach Neil Smith gave a special award, "the Godzilla" award to Ron Storelli. Don Pardo made a total of 30 goals.

Congratulations team, keep up the good work!

GOLFERS SWING TO VICTORY

The 1974-75 Golf team was very strong this year with returning veteran seniors; Charles Farnsworth, Craig Irish, Jeff Nyberg, and Bill Van Dusen. Practicing daily at Palm Lakes Golf Course, matches were held at Sunnyside, Belmont, and San Joaquin. Out of town matches were held at Kingsburg and Madera.

HOOVER SWIMMERS DANGEROUS WHEN WET

The 1975 Girls swim team showed great promise for their third consecutive Valley title. The team is lead by seniors; Heather Greenwood and Crunchy Cramer. Crunchy was also elected the team captain.

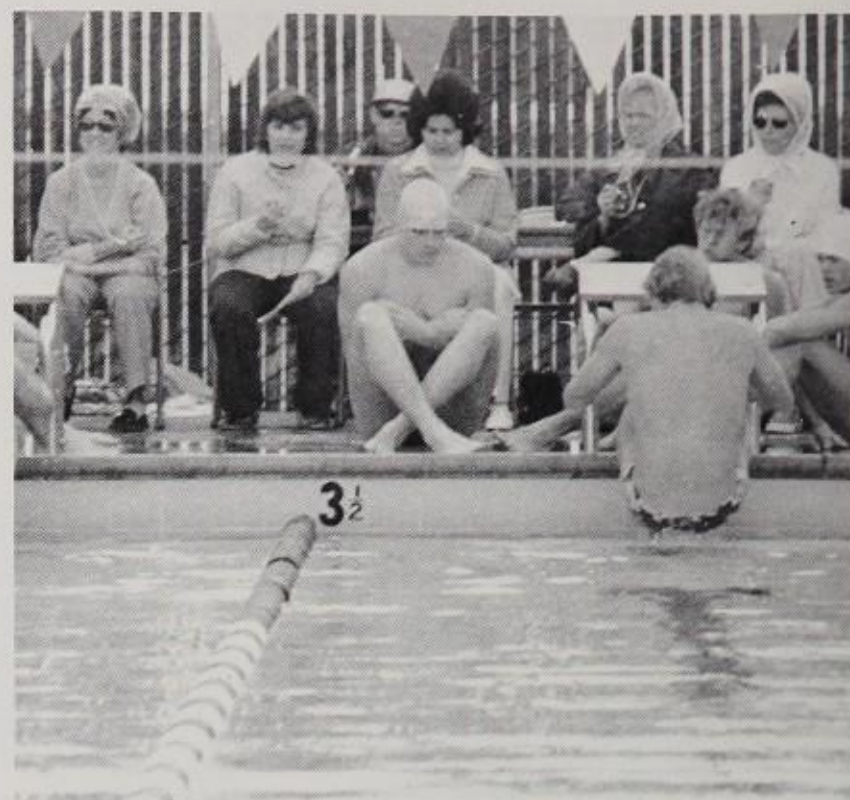

The Boys, with a relatively experienced team had high hopes for at least a second or third in the Valley Finals. Mark Walker and Eric Gordon lead the team. Glen McFarland, Gary Glandon and Eric Gordon were captains of the team.

SWIMMERS SHOW THEIR STYLE

The 74-75 Girls Diving team, through tough practices everyday came up with some winners. Returning junior Lisa Wilke was third in the Valley finals in 1974 and senior, Lynn Stackpole showed great potential for Valley this year. The boys team was a new team with almost no experience. There were no returning divers. With hard work and practice they will be strong next year.

LETTERMEN REPRESENT HOOVER

A club representing Hoover is the Lettermen Club. To become a Lettermen, you must have earned a varsity letter in a sport. This year, they had two initiations for the athletes to become members of the club. The club did several services for the school throughout the year. Some of the activities were Boxing Exhibitions, Pate Riot Day, and the Sadie Hawkins dance. They raised money to build a park beside the Music Building. The sponsor was Coach Rush, the Fall Semester President was Rick Culver and the Spring Semester President was Randy Crawford.

BE WISE! ECOLOGIZE!

The Ecology Club had a very productive year. They were very involved in several projects including Sierra Land Use Planning, recycling, auto and bike problems, the world wide food shortage and the litter problem on campus.

One of the highlights of the year's activities was a trip to Huntington Lake. They also took a trip to Morro Bay where they studied man's impact on the environment. A most indepth study of Ecology was made at Yosemite Institute in Yosemite National Park. The largest group ever attended the park for a week long study and came home with a better understanding of natural life.

Mr. Garland Johnson was the sponsor of the Ecology Club and Joyce Goodbar was the President.

Gail Stockton, President, and the members of the French Club planned different activities, during the year such as a dinner featuring only French foods cooked at a member's house. They also painted a school window at Christmas and contacted students in France to start a "Pen Pal" system. The sponsor of the French Club was Mr. John Proudian.

Many activities were organized by president Nikki Sommars and other members of the International Club such as a banquet dinner and a Pizza Party. They also organized a Bake Sale at Hoover to help a Foreign Exchange student come to Hoover. Mr. Ronald Haney was the clubs sponsor.

HOOVER PRIDE FROM ALL OVER THE WORLD

Dear Hoover; students and teachers,

Fresno, Calif. Jan. 13, 1975

First I'd like to say "hi" to all of you. This year in America was the most interesting and exciting time of my life.

I was very surprised when I.C.Y.E. (International Christian Youth Exchange) chose me as an exchange student in the U.S.A. and with this letter I would like to thank the I.C.Y.E. organization for their cooperation and for making my stay here enjoyable.

I think spending a year in some country like America is very interesting for a good experience. Not only for visiting another country but also living in a new society with many important differences.

During all of this year I've had many interesting experiences. The school system was different for me because I was able to choose my own classes, this was great for me because in Bolivia all the classes are required courses.

At the beginning everything was new and strange and I felt lost but gradually I felt more at home. This is a good experience for each foreign student.

In relation with the social life I learned about this school and country and it's many customs, problems and development. Now I have a correct image and my own impression of this culture.

I met many friends that I'll never forget in my whole life. I want to thank everybody and the staff, especially Mrs. Leest, Mrs. Leslie and Mrs. Carpenter for helping me, understanding my English and including my family for their cooperation and understanding in making this year an enjoyable, exciting and unforgettable experience for me.

I hope I'll come back someday to see my friends again.

Gracias Sinceramente

Patricia Zuniga

Heisan Hoover High Students and teachers,

Obviously, there are several reasons for applying for a Y.F.U. scholarship for a year in the U.S.A. Most of my reasons were personal. I wanted to learn the language, meet people with different attitudes and ideas, try to understand people with another background, find my own place in the society and find myself.

The main reason for coming overseas is to create for myself an opinion on how the "American Way" of life works out. There exists a high standard of living, with its conveniences and disadvantages, surviving under enormous social problems, and yet, a great national pride is shown by the presence of the Stars and Stripes in every classroom.

It is important for me to visit Edison High and the south-west part of town. At the present time this is the event I look forward to most.

Believe it or not, California and Fresno differ from Norway in most ways; that includes the climate as well as medical costs, the educational system as well as my everyday life and the gasoline price as well as the mass transportation.

So far, my visit in the country has given me many interesting and unique experiences. I am very glad to have the opportunity to find out things for myself, instead of being told what others may have experienced. I am very thankful to everybody who has participated in making this stay valuable to me.

Vi sees senere.

Haakon Rud

Fresno, Calif. Jan. 13, 1975

Education and mental development do not exclusively take place in a classroom, they take place everywhere.

I stepped onto the soil of this old-enough "New World" with the motivation to understand American social life and to find somewhere in this scene my own place. At the same time, I anticipated the possibility of losing myself completely in the banalities of daily life and I prepared to prevent this.

A view of life, the universality of one's interests, an inner harmony, I continue to try to create for myself or at least strive for. I have observed the great standard of living equipped with all sorts of conveniences to which I am unaccustomed, existing next to tremendous social problems, and yet an unbelievable spirit of patriotism. Taking it all in all I can hardly complain about my year in the U.S.A. I am thankful for the opportunity of this education experience.

Thomas Schild

The Foreign Exchange Program at Hoover this year was very proud to include Haakon Rud, Thomas Schild and Patricia Zuniga.

They were chosen out of many, to come and live with an American family.

They all enjoyed coming to the United States and felt fortunate for the opportunity to visit and become acquainted with an American way of life.

B.S.U. FOR UNIFICATION

The purpose of B.S.U. was to bring about a stronger unification between all students and to instill respect for the various Black contributions to America by presenting Black culture.

The Black Student Union held several activities. They held a Halloween Day Sock-Hop and a Karate demonstration on Martin Luther King's birthday. Mr. Shilow was the sponsor and the president was Tony Johnson.

NEW CLUB GETS INVOLVED

The Asian American Club was one of the newest at Hoover. The purpose of the club was to perform services for the school and introduce the culture of the Orient. They participated in several activities throughout the year, such as Tee-shirt sales, a chopstick eating contest, and walking for muscular dystrophy. They used a portion of the money raised to buy bike racks for the school.

Mrs. Dunn, sponsor of the club, helped them get off to a good start. Cary Nishioka was the President.

ALL THE POWER TO YOU!!!

The Hoover Power Reading team performed at many civic group functions and open houses. Along with these functions they were requested to demonstrate their reading abilities during school.

Power Reading was begun in 1967. Hoover had an excellent team then and this year. The team used articles and excerpts as material for their readings. Mrs. Marilyn Mortens was the sponsor.

This year, the Hoover Ski Club took several trips to China Peak. To help raise money for their trips, the club participated in several car washes and bake sales. In February, the Ski Club had fun, skiing at Lake Tahoe. The Ski Club president was Jeff Ireland. Mr. Tom Daughtery was the sponsor.

THE ACADEMIC ELITE

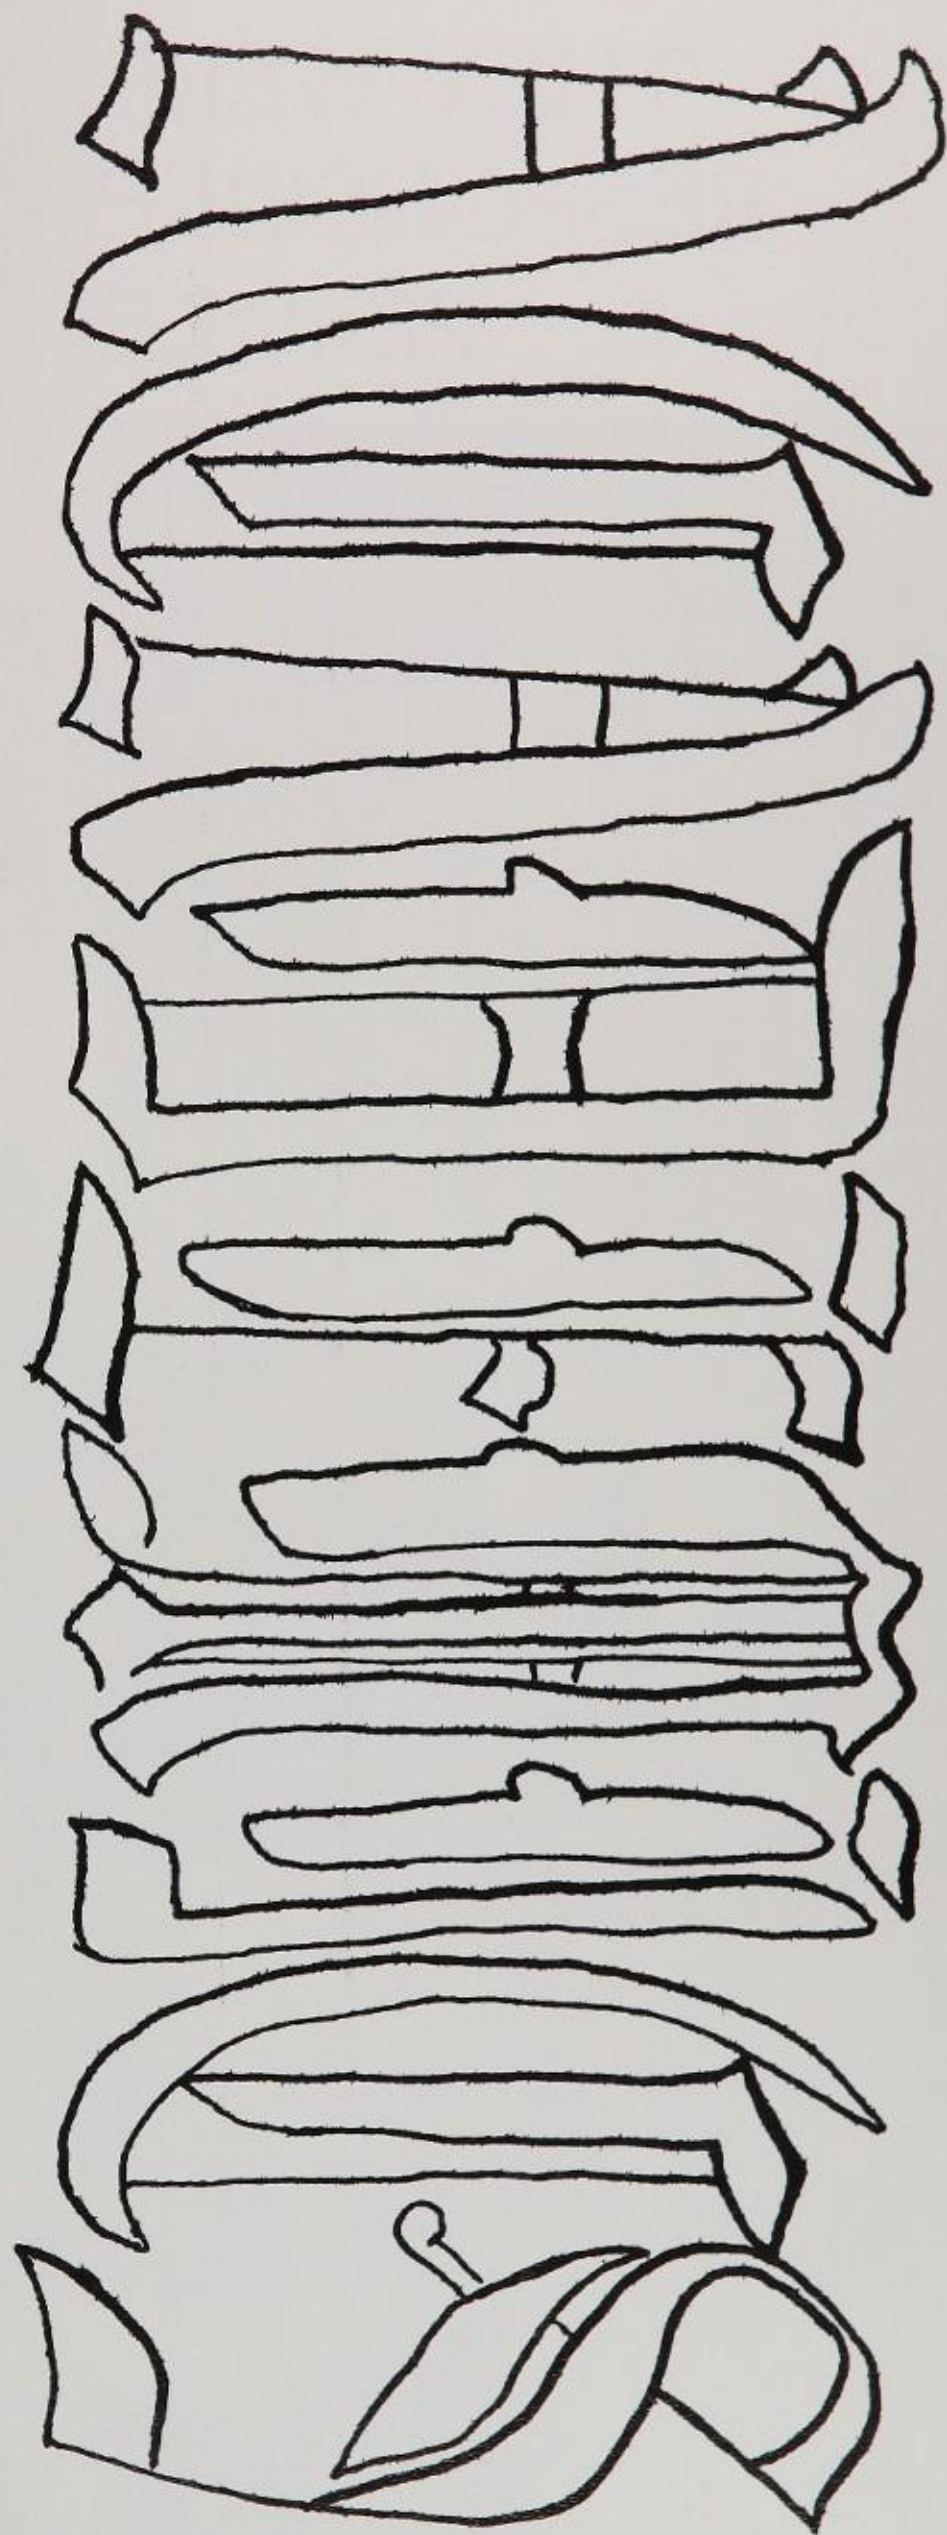

C.S.F., California Scholarship Federation, was an Honor Society for high school students. Its purpose was to encourage high scholarship, service and citizenship.

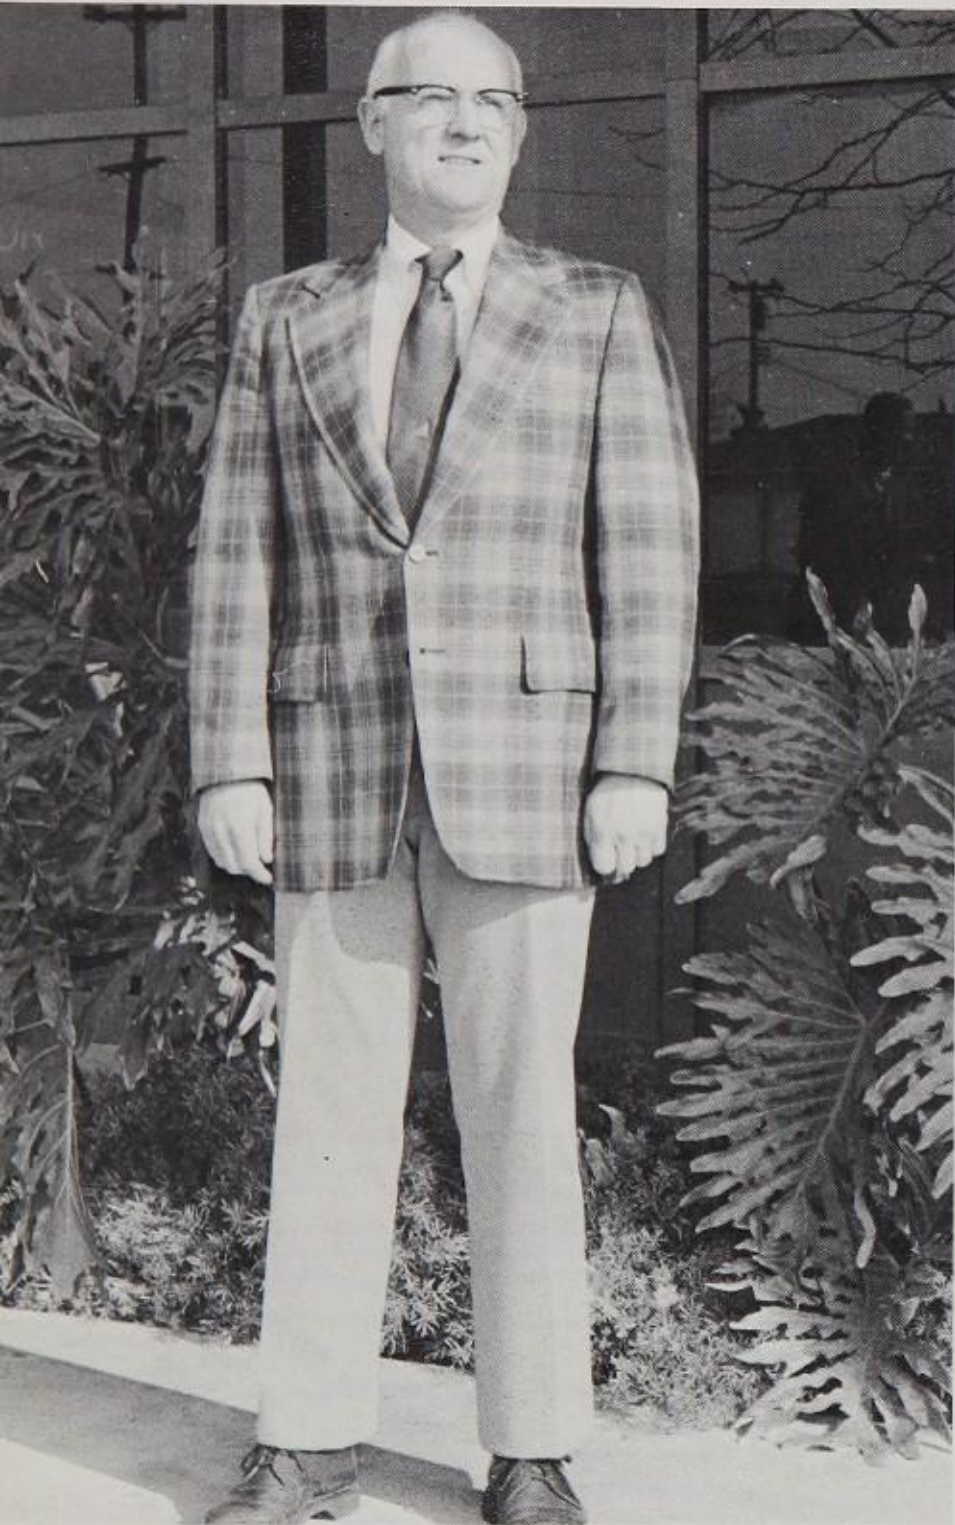

Membership was determined by grades of the preceding semester. A student needs four semester of memberships, of which one of their senior year, to earn a life membership. A gold seal is placed on the graduation diploma and on the record transcript of the life members.

THEY WERE RESPONSIBLE PEOPLE

The administration had many responsibilities that students were probably not aware of. Their main concern was the good of the school.

The principal, Mr. Bray, was responsible for everything that went on with the school. This included all phases of the program; academics, athletics, activities, all of the personnel, and the buildings and grounds. He saw that all policies and procedures set by the Board of Education were followed by the school.

Our Vice - Principal, Mr. Phillips, had the job of seeing that the school ran smoothly from day to day. This included the athletic and activity schedule and the upkeep of school facilities. He listened to the problems of students and teachers as well.

The basic function of the Hoover dean was to handle all discipline and attendance problems. Mrs. McGready was the dean of girls. She handled all dance affairs, school pictures, the issuing of student body cards, and was the sponsor of the P.T.A. The dean of boys, Mr. Kerber, was known for being the "Voice of the Patriot Band." He took care of all matters dealing with graduation and is responsible for the Parent Advisory Council.

COUNSELORS GIVE THE NEEDED HELP

SUPERIOR EDUCATION STAFF LEND A HELPING HAND

Individual attention to each student was the main function of the counselors. In the counselor's office, students often talked out school and personal problems as well as goals for future achievements. Each counselor offered understanding, advice, encouragement and opportunity to each student who needed it. The goals of counseling were to help each student who needed to develop his capacities to the fullest, and to help each student make realistic choices.

Mrs. Ann Heinrichs, the school psychiatrist, gave individual attention to each of her students. She gave the understanding and help for reaching goals and for bettering themselves.

Mr. John Shilow was in charge of the Family Relations program. His main function was to help students who couldn't relate school and home problems. Mr. Shilow tried to help every student with their problems.

The people that worked in Hoover's office consisted of secretaries and clerks. Students didn't realize it but they were the people who handled the details of the school activities.

Mrs. Gloria Hoe was the school nurse. She took care of the little and big emergencies that occurred on campus.

EFFICIENT EVERY TIME THEY ARE NEEDED

MUSIC IS THEIR SPECIALTY

Mr. Mueller and Mr. Buyuklian spread their love of music to others as they taught chorus and band. Both band and chorus had many concerts for the public and for the school. This year they included a guitar class as one of their selections.

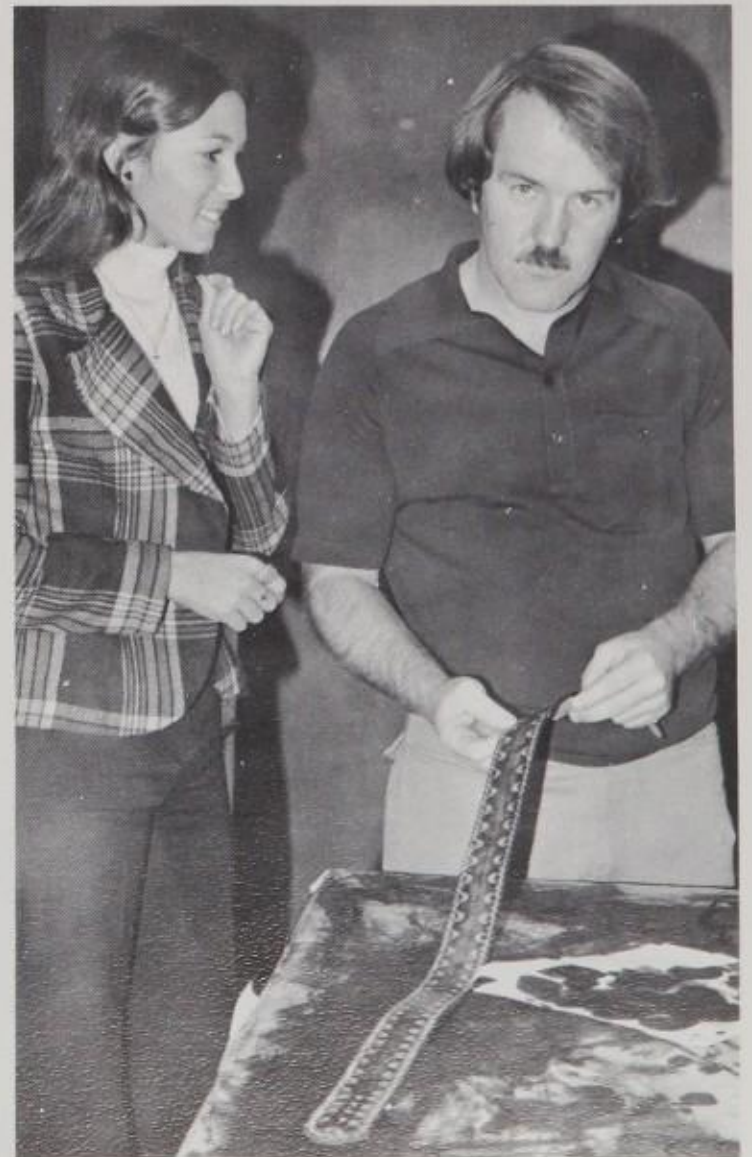

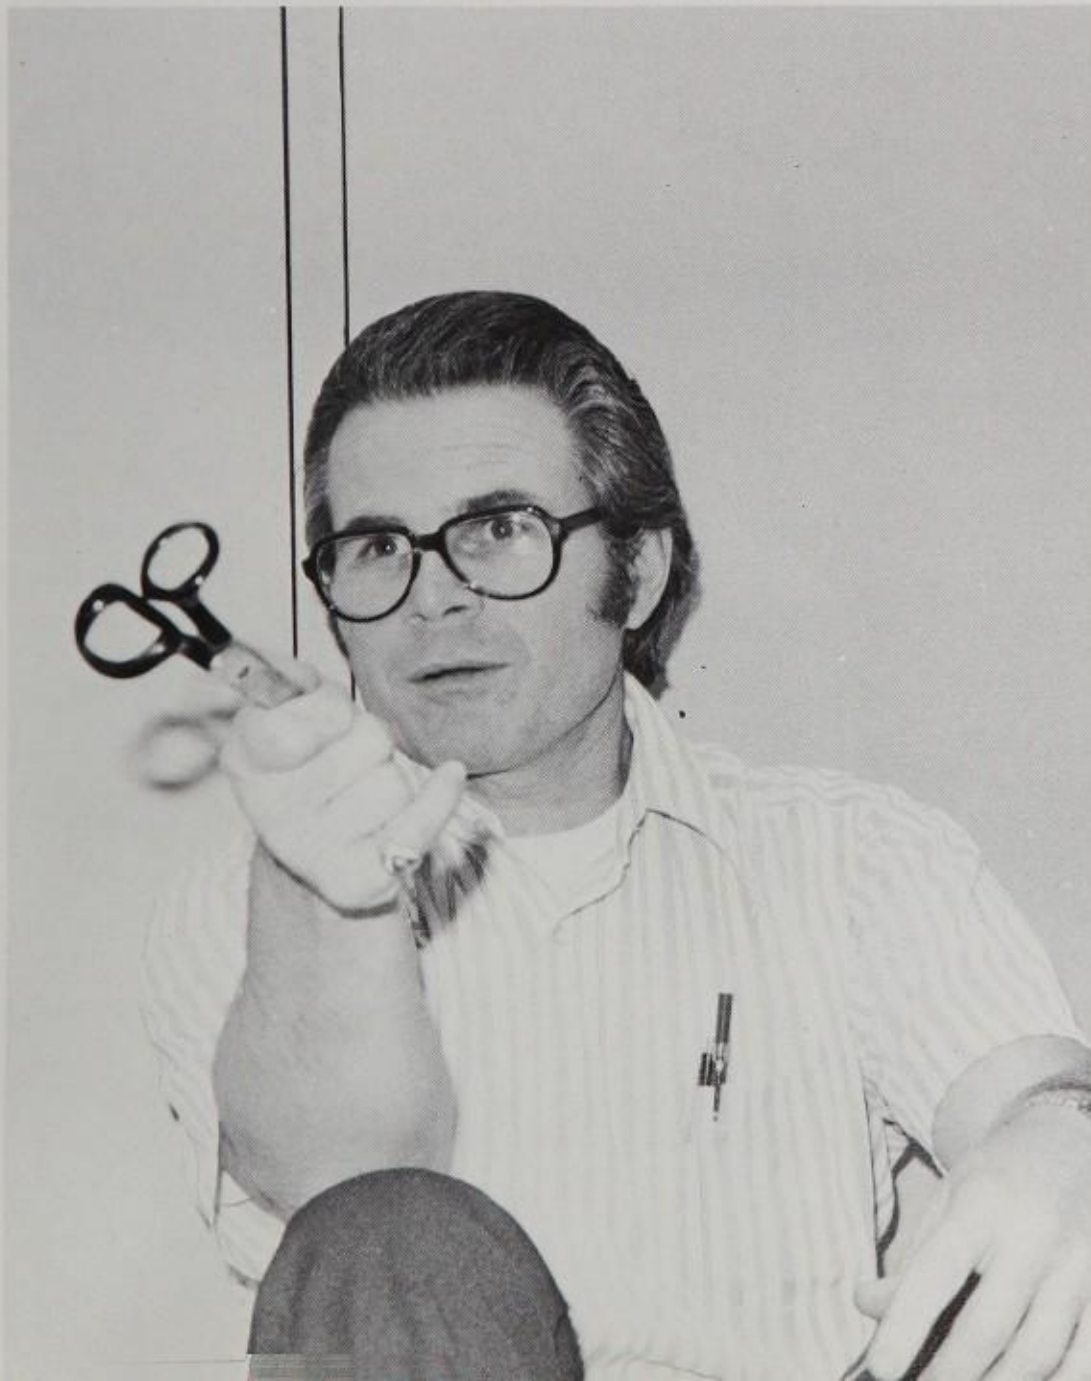

In the Art classes this year, as many as 600 students were taking some form of art. The classes were set up to be electives at semester, so that many students could get a variety of different types of art. This year they tried to make the instruction less structural and more individualized.

In the Spring, the Art Department held a large art show. It turned out to be a big success.

ART ... BEING CREATIVE

LEARNING NEW WAYS TO HELP DEVELOP TALENTS

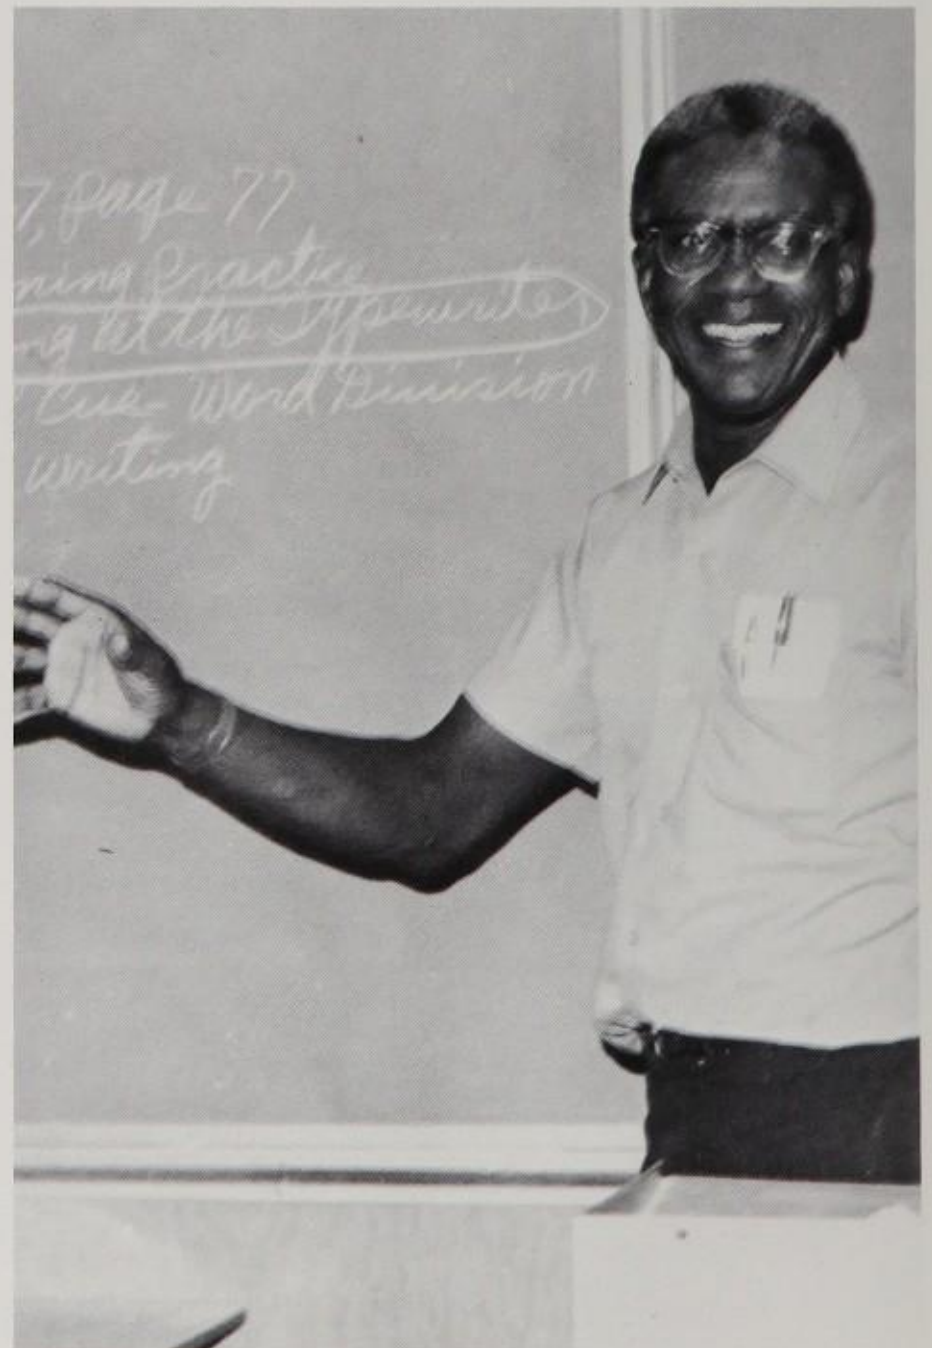

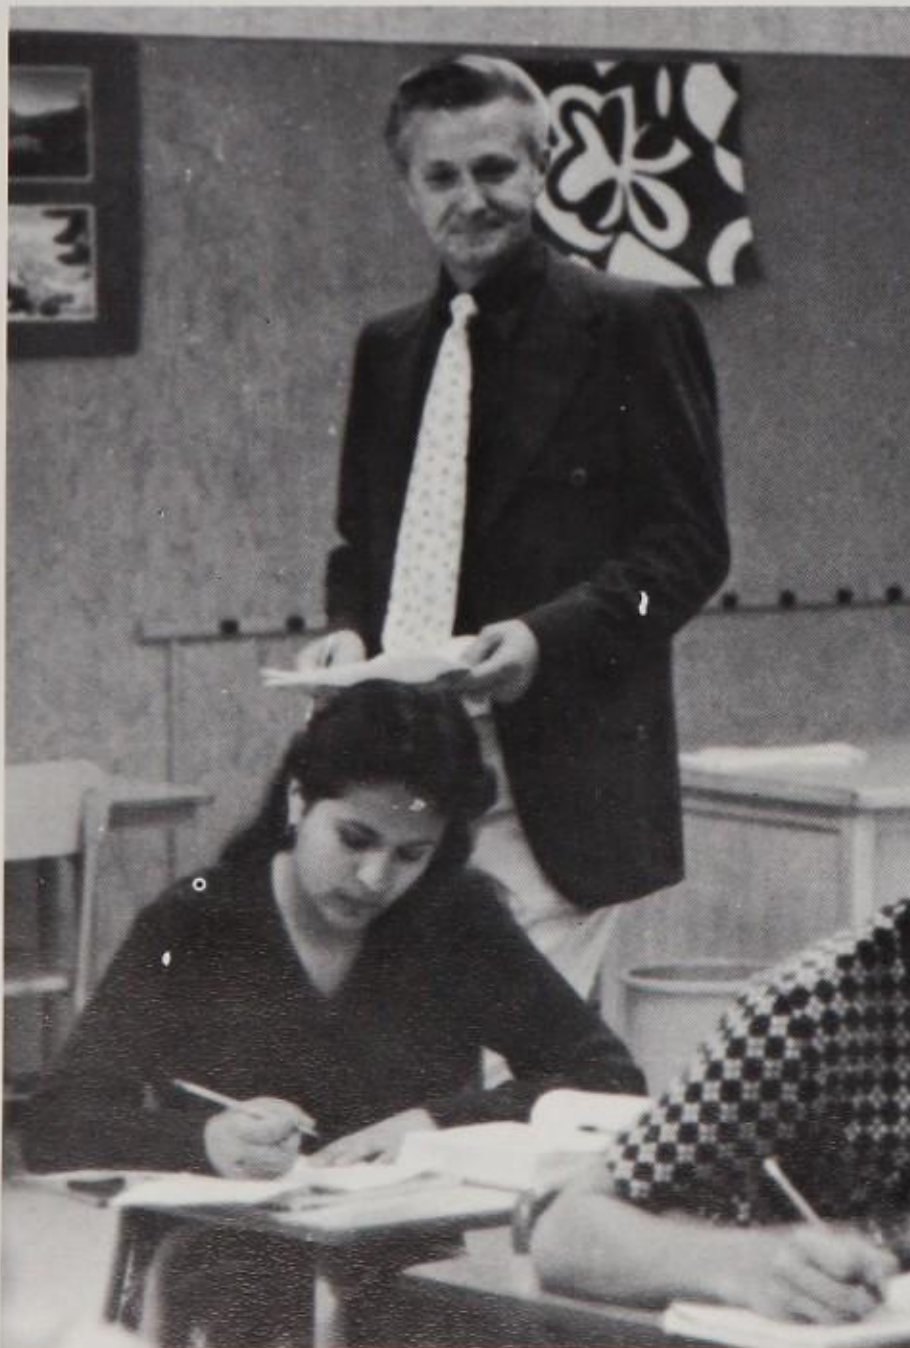

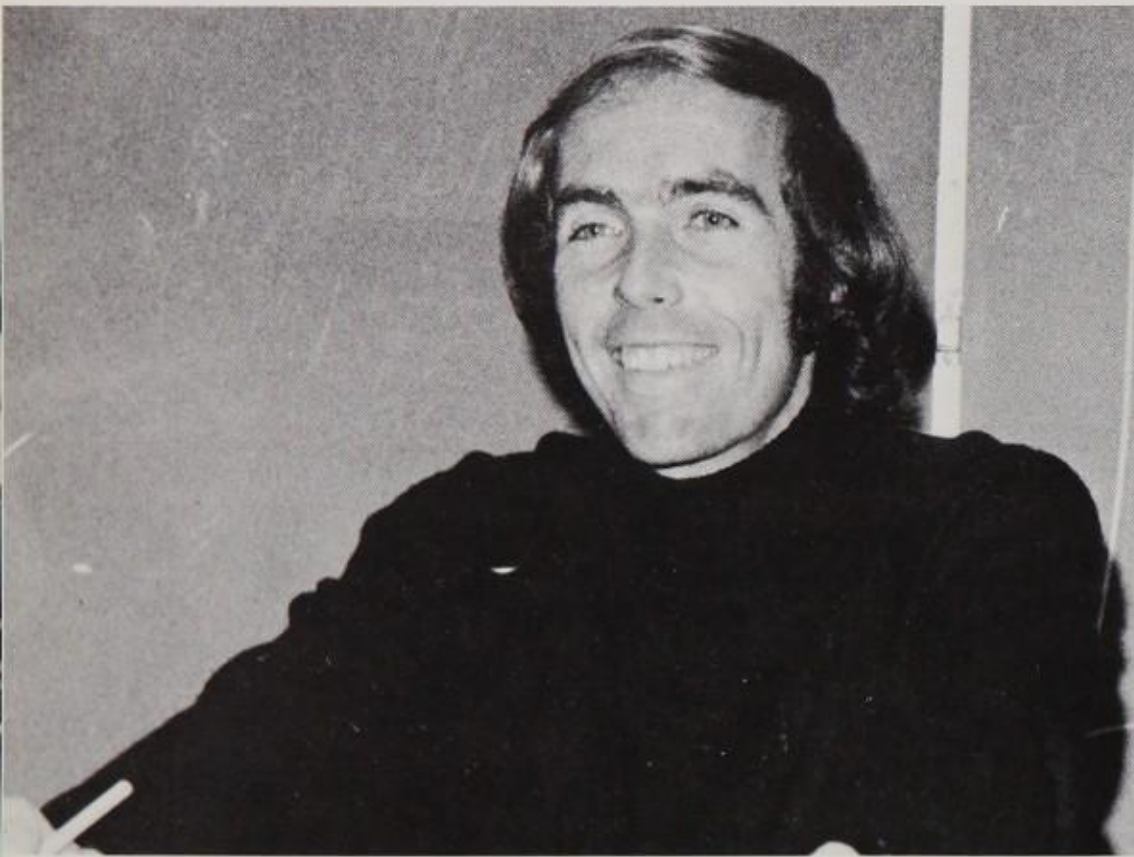

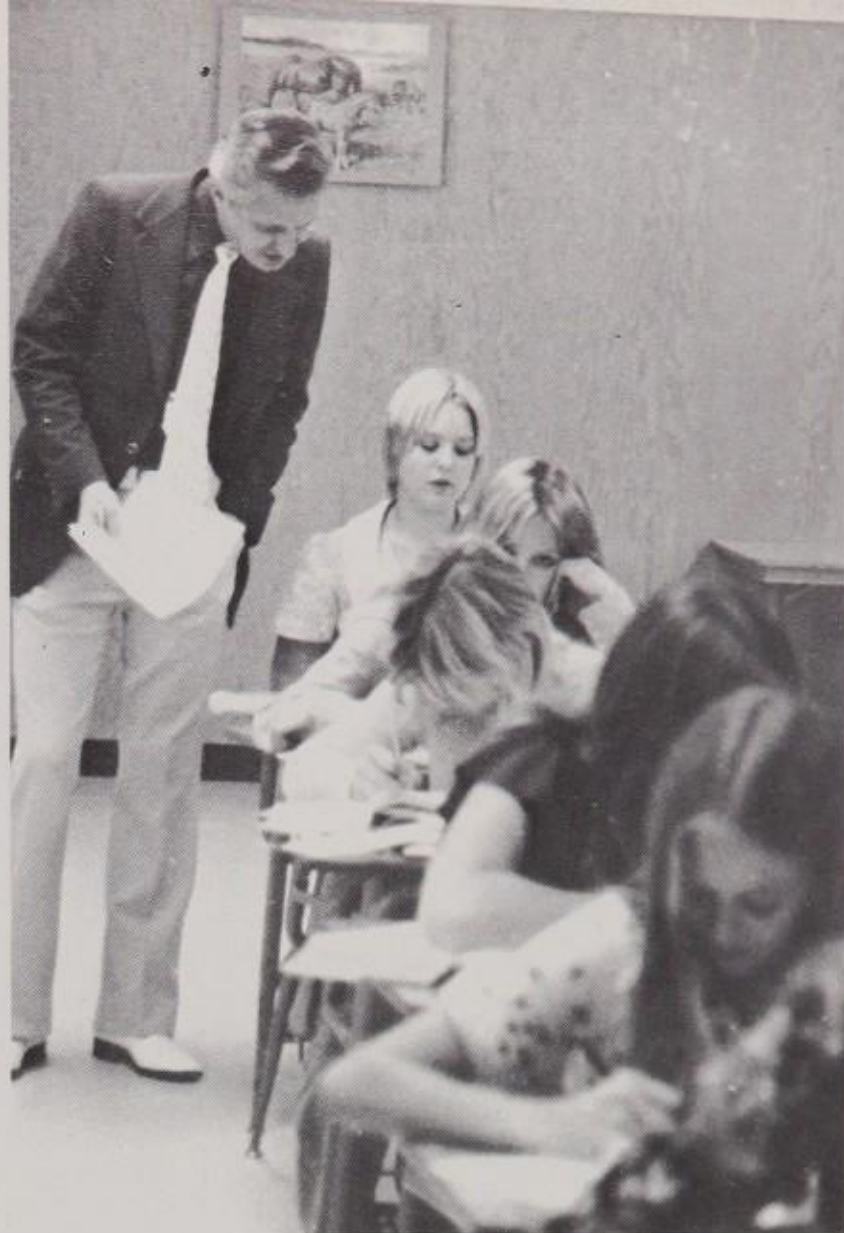

This year more and more girls enrolled in Industrial Art classes. The courses offered included Drafting, Metal, Woodworking, Electronics, Auto Mechanics and Power Mechanics. Advanced equipment of all kinds were provided for the students in these classes.

THAT'S THEIR BUSINESS

The aim of the Business Department this year was to teach students different fields in the career of business. They felt students should take at least one business course for practical use in the years to come.

TWO PLUS THREE EQUALS FOUR?

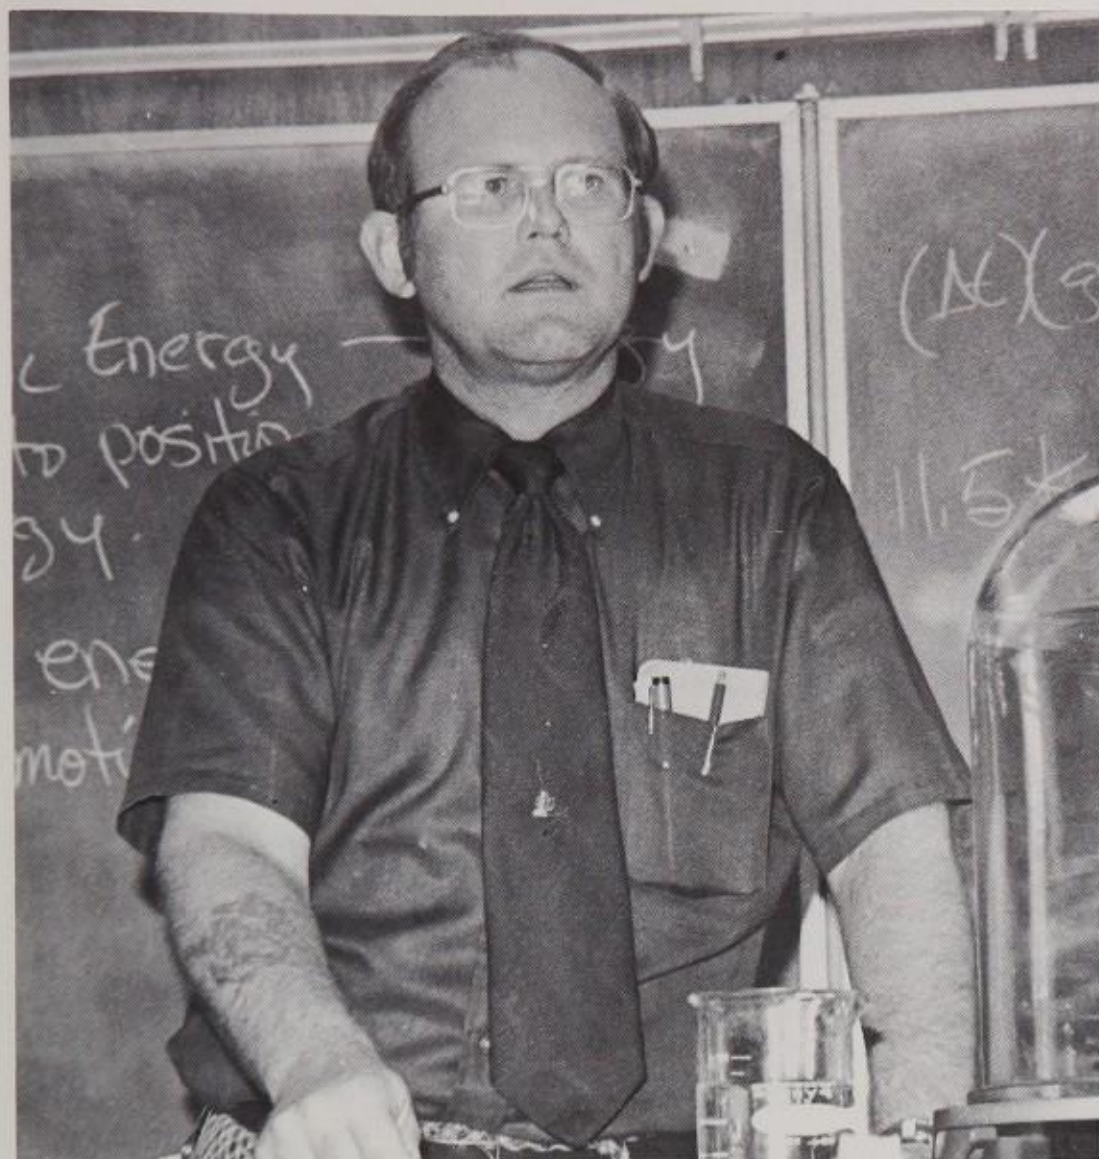

The Mathematics Department presented all courses offered on a semester this year, so students could take a larger variety of math classes. Along with Modular Arithmetic and Modular Algebra, Modular Geometry was offered this year. Students who took a modular class worked at their own pace, concentrating on the sections in which they were deficient.

CLOSER TO NATURE BY SCIENCE

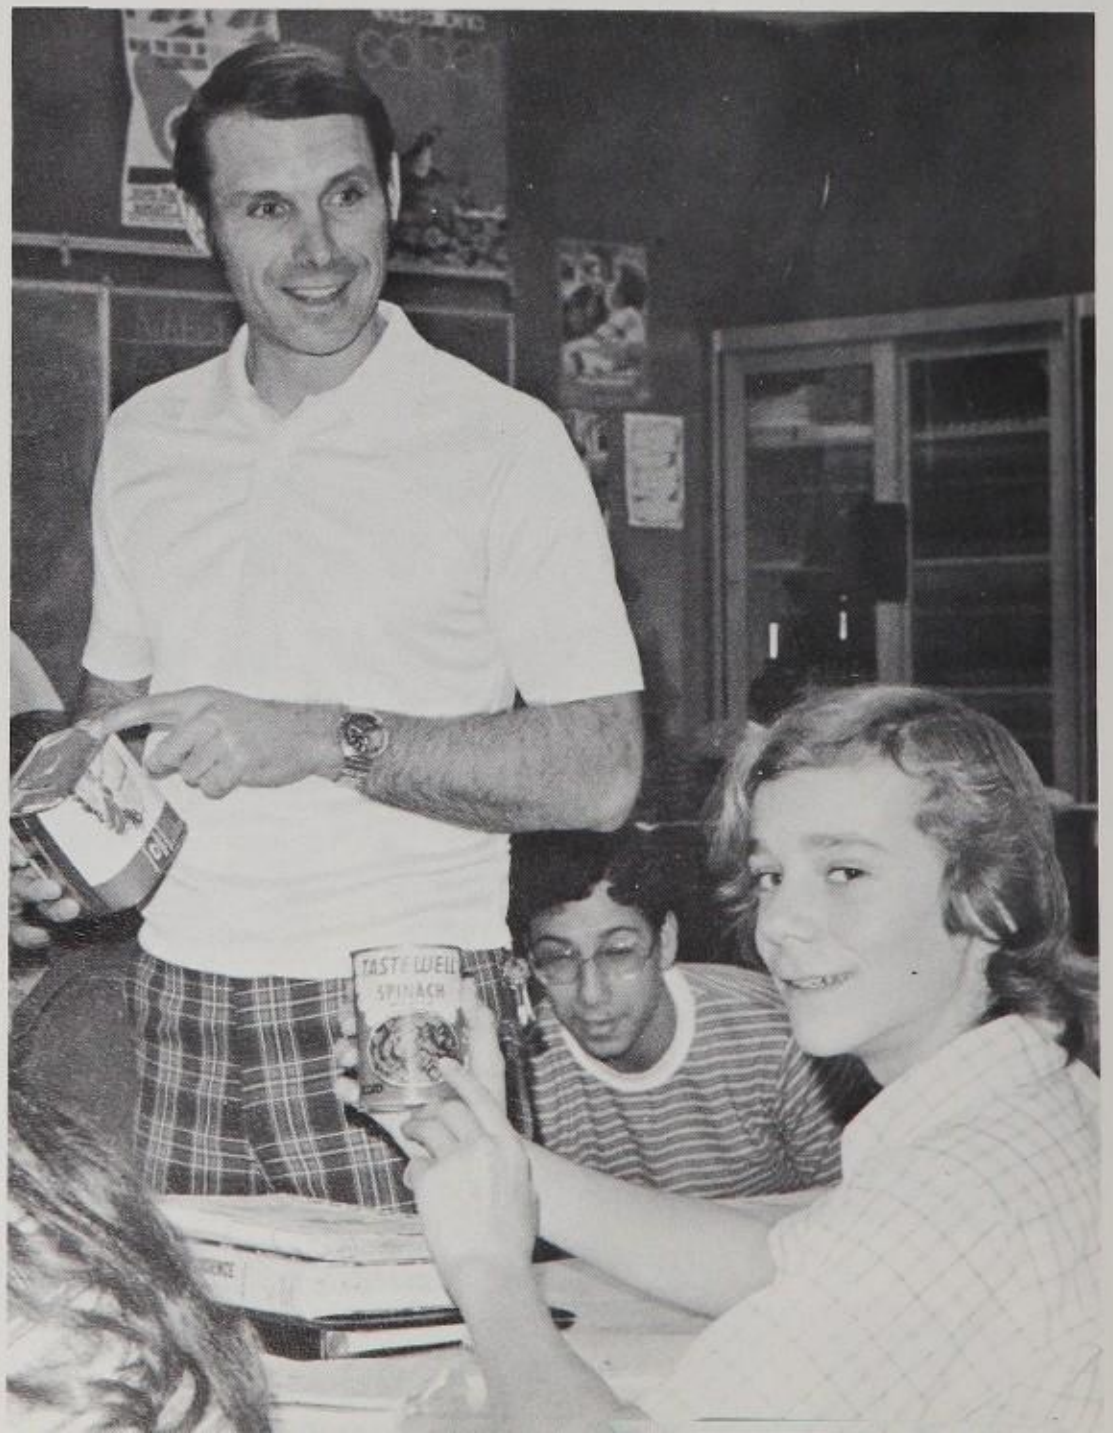

Hoover's Science Department offered courses which students needed for high school graduation and college entrance. The courses concentrated on laboratory experiments, interpretation of data and the relation of the changing scientific world.

Biology, which every sophomore must take, consisted of the study of life processes in living matter; Chemistry, based on the observation of substances and their composition. Zoology, the study of the different aspects of animals was also studied. Advanced Biology, a continuation of Biology was worked on independently by students in research and problems. Ecology explored the relationship between plants, animals, man and environment. Physics exposed students to the basic and fundamental laws of matter and energy.

BROADER HORIZONS

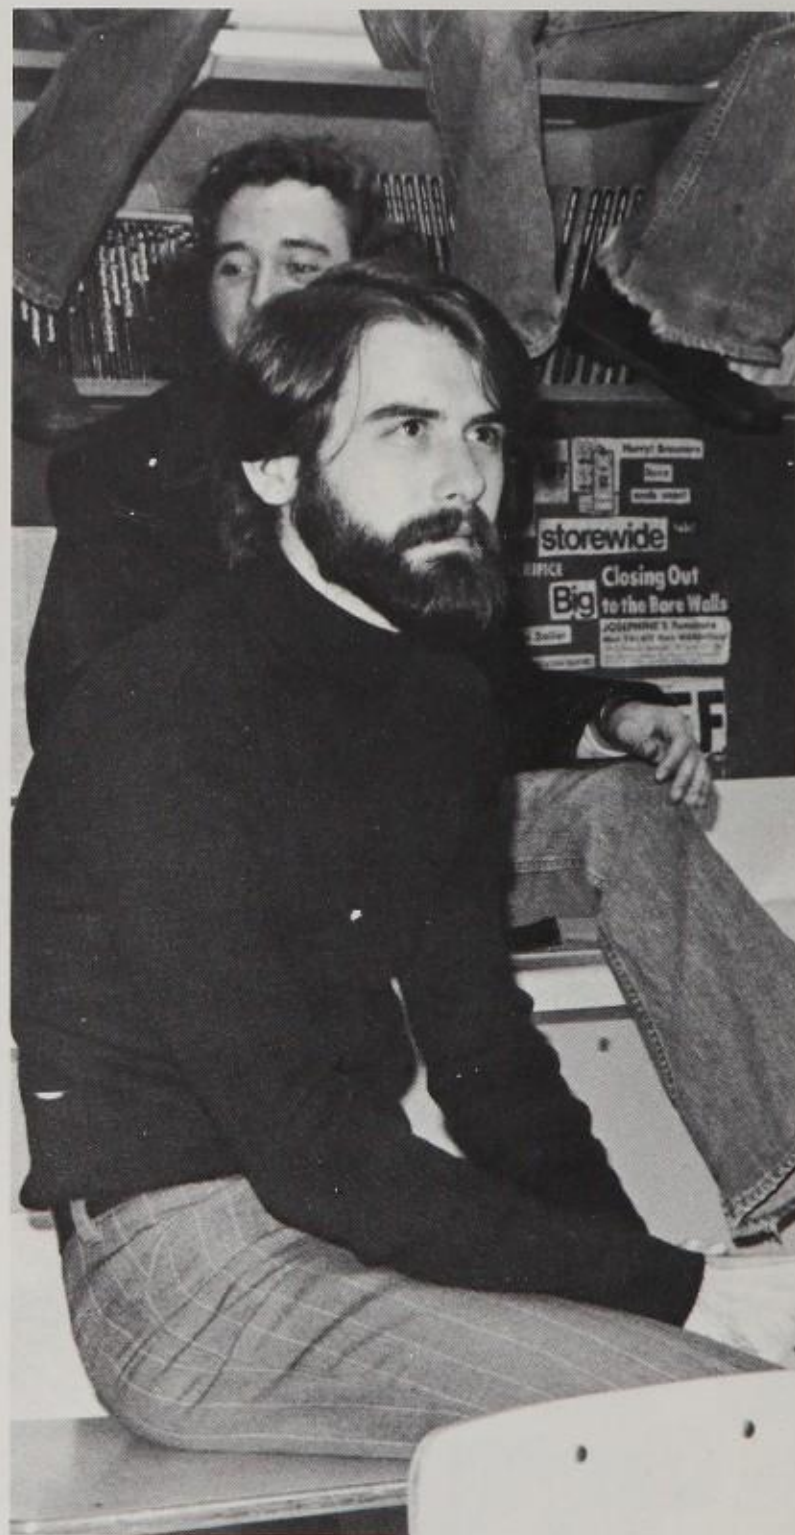

Hoover's Foreign Language Department offered French, German, and Spanish. Each language was taught up to the sixth year. The first and second year classes were concerned with situational language patterns. During the third and fourth year functional grammar and composition were emphasized. The fifth and sixth year language classes studied the culture of the country where the particular language was spoken. Hispanic History was offered to advanced Spanish students.

LANGUAGE ARTS HAS SOMETHING FOR EVERYBODY

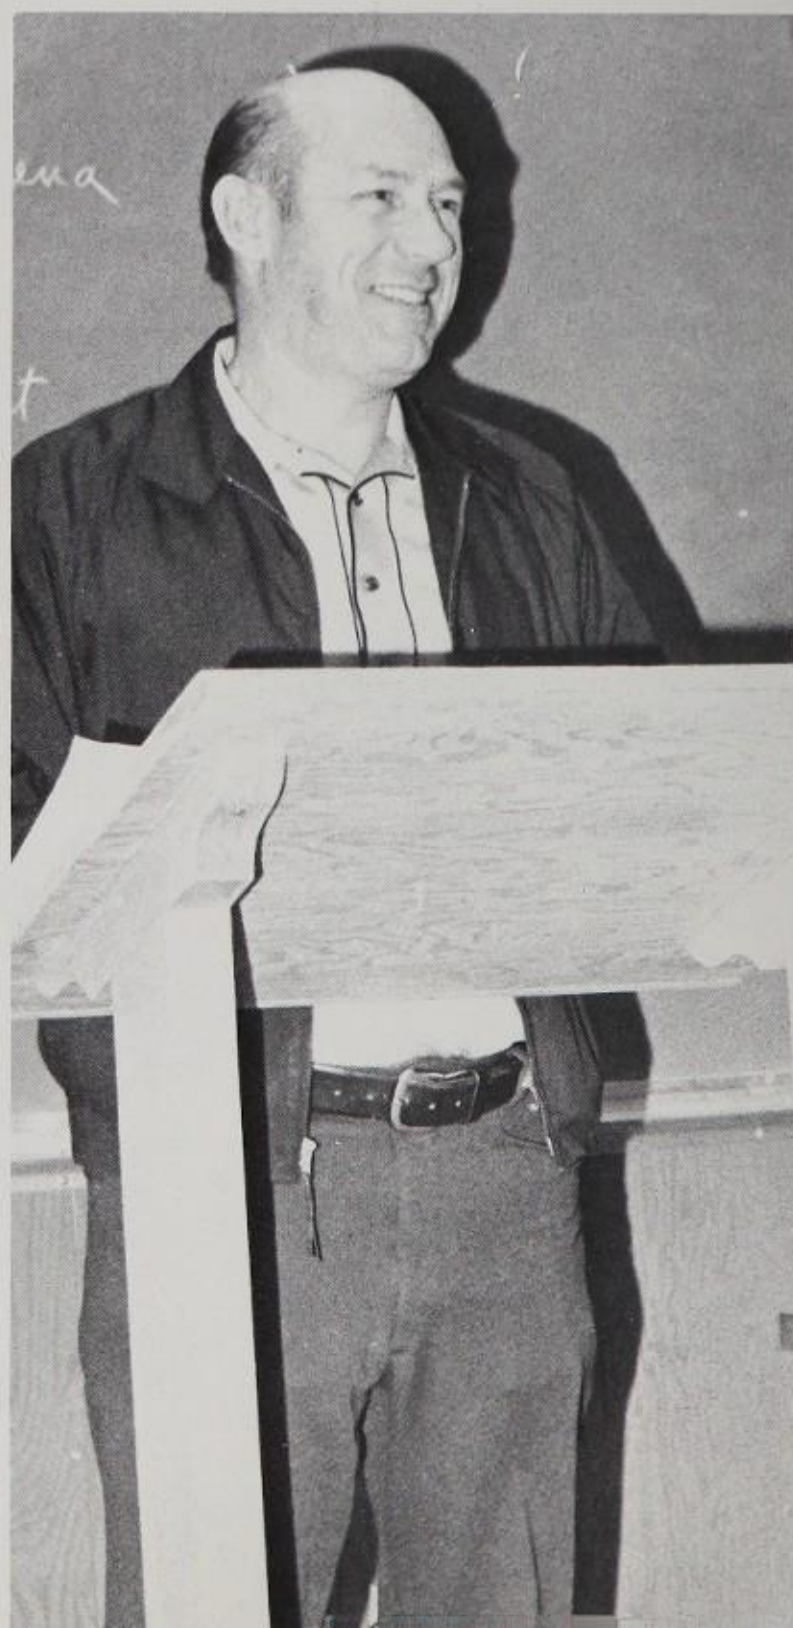

The English Department offered a variety of one- semester classes. There was something for everybody and all students had the freedom of choice. Aside from Language Arts, Poetry, Mythology, Romance, Women in Literature, and Film Study, there was also the choice of Literature of Sports, Short Story, Advanced Composition and Power Reading. This department also included classes dealing with drama and journalism.

The Social Science Department included more than just the traditional History and Government classes. There was a choice of several elective courses. Humanities, Psychology, and World History were the favorites. United States History is a required class for all juniors, and American Government is a requirement for all seniors. This year the American Government classes participated in the annual Mock Congress. It was an actual replay of the United States Congress in action. It lasted for one week during the first semester of the year.

PREPARATION FOR THE FUTURE

The Consumer Homemaking Department of Hoover offered various classes open to both girls and boys. These classes helped prepare students for the future. Besides Cooking and Sewing, other classes that were offered were Sociology and Bachelor or Bachelorette Living.

PEOPLE WILLING TO HELP!!!

At Hoover, the Special Education Department was designed to help those students who were handicapped. It was made up of two divisions; the program for the mentally handicapped and the program for the visually handicapped. The mentally handicapped received help from Mrs. Mildred Nattenberg and Mrs. Dorothy Bassett, while the visually handicapped received aid from Mrs. Bethany Harness and Mrs. Lois Ehrenberg. In the Special Education room, there were text and supplementary books available in braille and on tape for the use of the handicapped. Mr. Chris Neall served as the Mobility Instructor.

Top, from left to right: Mildred Nattenberg, Chris Neall, Bethany Harness. Unpictured: Dorothy Bassett, and Lois Ehrenberg.

The Library was open to all Hoover students. Help in the library was always available. It was equipped with plenty of material to help students who needed information on all kinds of subject.

PHYSICAL EDUCATION IMPROVES SKILLS AND FITNESS

Our Physical Education staff was able to offer a wide variety of courses to the students this year, striving to improve skill and fitness.

The girls were able to choose which activity they wanted to take. Some of the courses offered were tennis, fitness, swimming, softball, badminton, skiing, and a brand new class, bowling.

The boys Physical Education staff set up a program for their students. Golf, wrestling, badminton, handball, and basketball are a few classes that were given.

WHAT'S FOR LUNCH?

Each day, there was a different lunch awaiting the Hoover students. The cooks worked everyday, carefully planning and preparing a delicious lunch. Mrs. Leona Fox was the cafeteria manager. Lorraine Wells was head cook while Jennie Pascucci was the baker. Vergie Taggart managed the Canteen and Lois Thomas was the assistant cook. The cook's helpers included Hulda Hansen, Althea Humphry, Delores Reynolds, Lois Woods, Claire O'Neil and Martha Dick.

TO THOSE WHO CARE

Hoover custodians worked very hard to help keep our school clean. The custodians consisted of two crews, the day crew, and the night crew. Students welcomed the new head custodian, Jerry Manarite.

PEOPLE WHO CARE ABOUT OTHERS

The Hoover Boosters this year were very active. They planned an annual "get acquainted" barbeque. This brought all the Boosters and friends together.

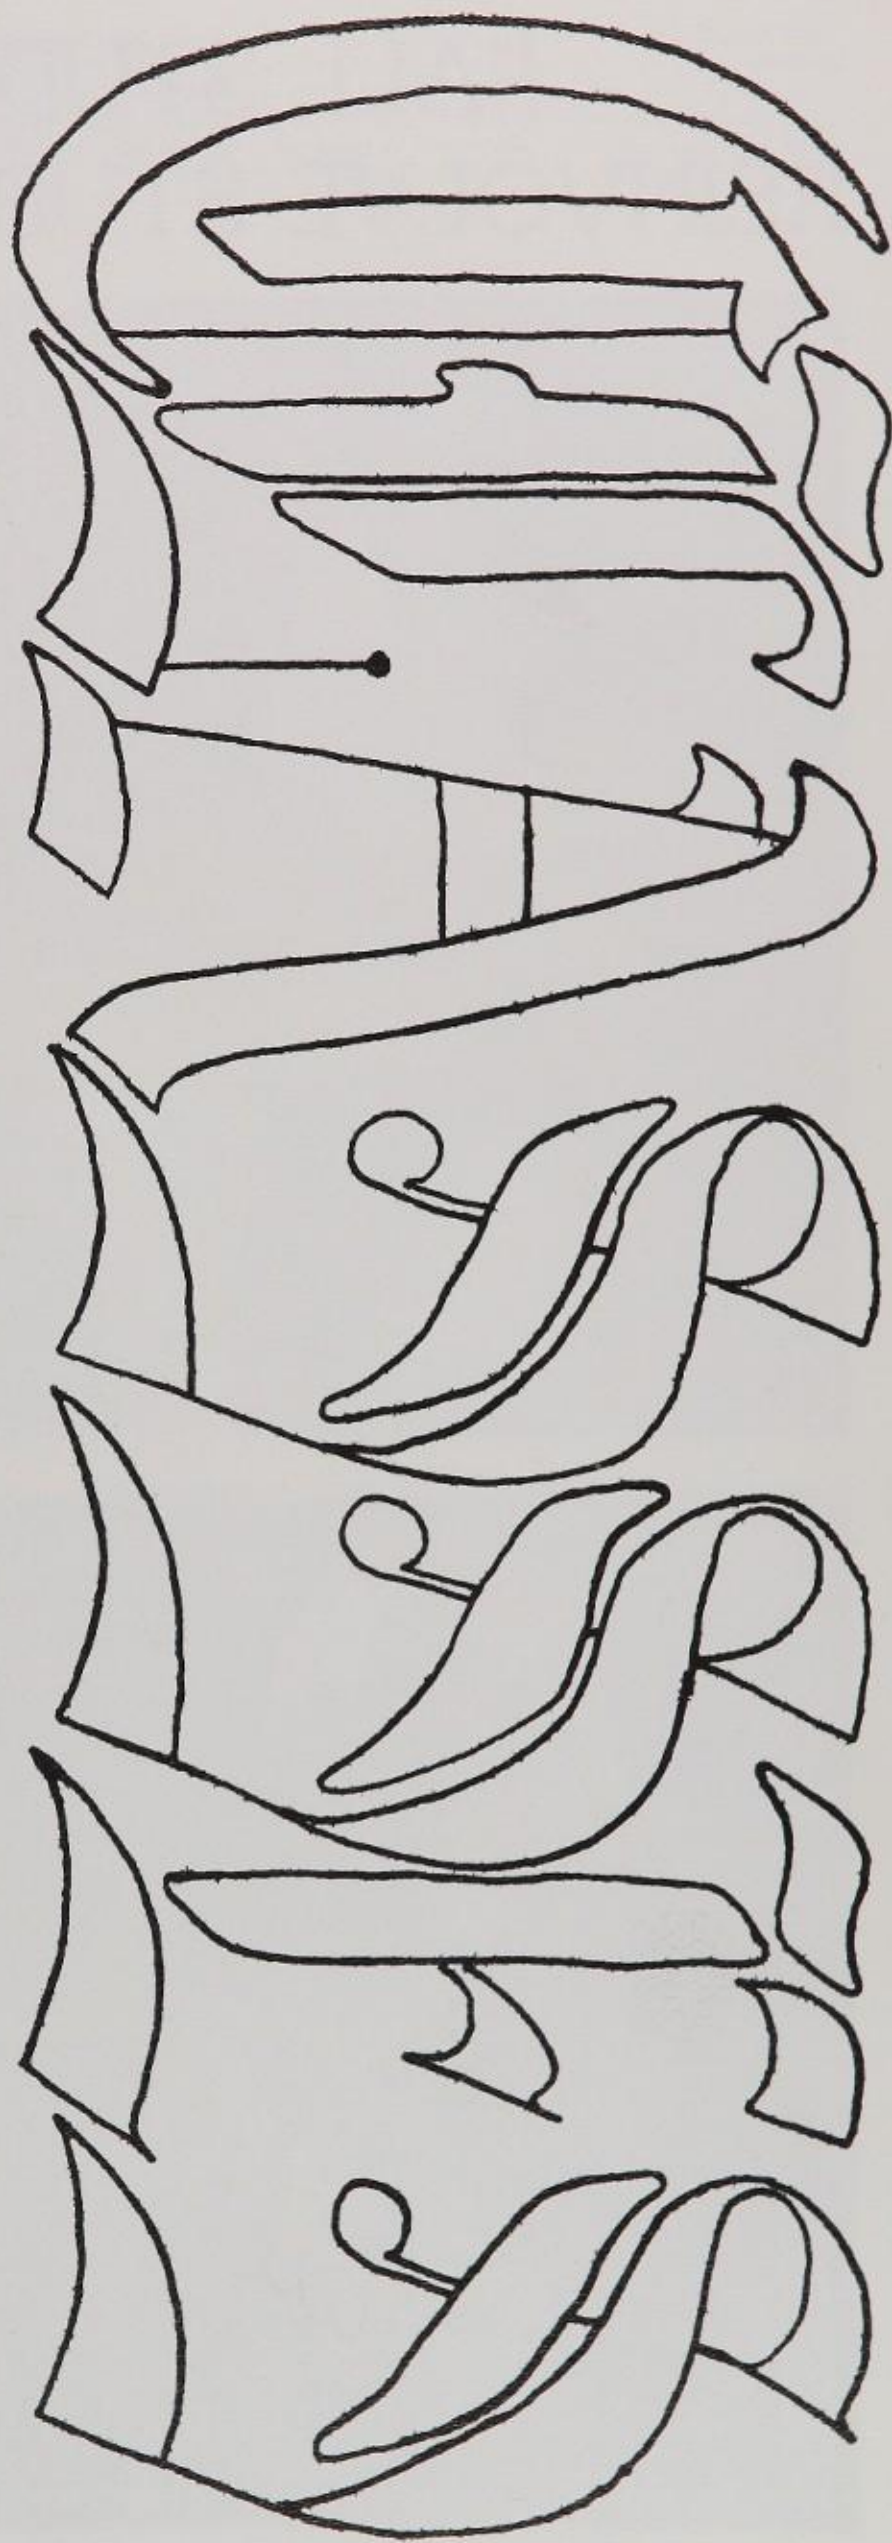

Their functions were to assist the administration, faculty and students, plus raise money for scholarships. They sponsored various award nights and many other activities.

This year the Hoover High P.T.A. planned activities and services to better the school. All activities included they helped prepare the newsletter "Town Crier" and they had a Fine Arts Award Dessert, a Pancake Breakfast, plus they helped out with school pictures, sponsored a graduation party and provided scholarships to worthy students.

FALL STUDENT BODY OFFICERS REINVOLVE STUDENTS WITH SCHOOL

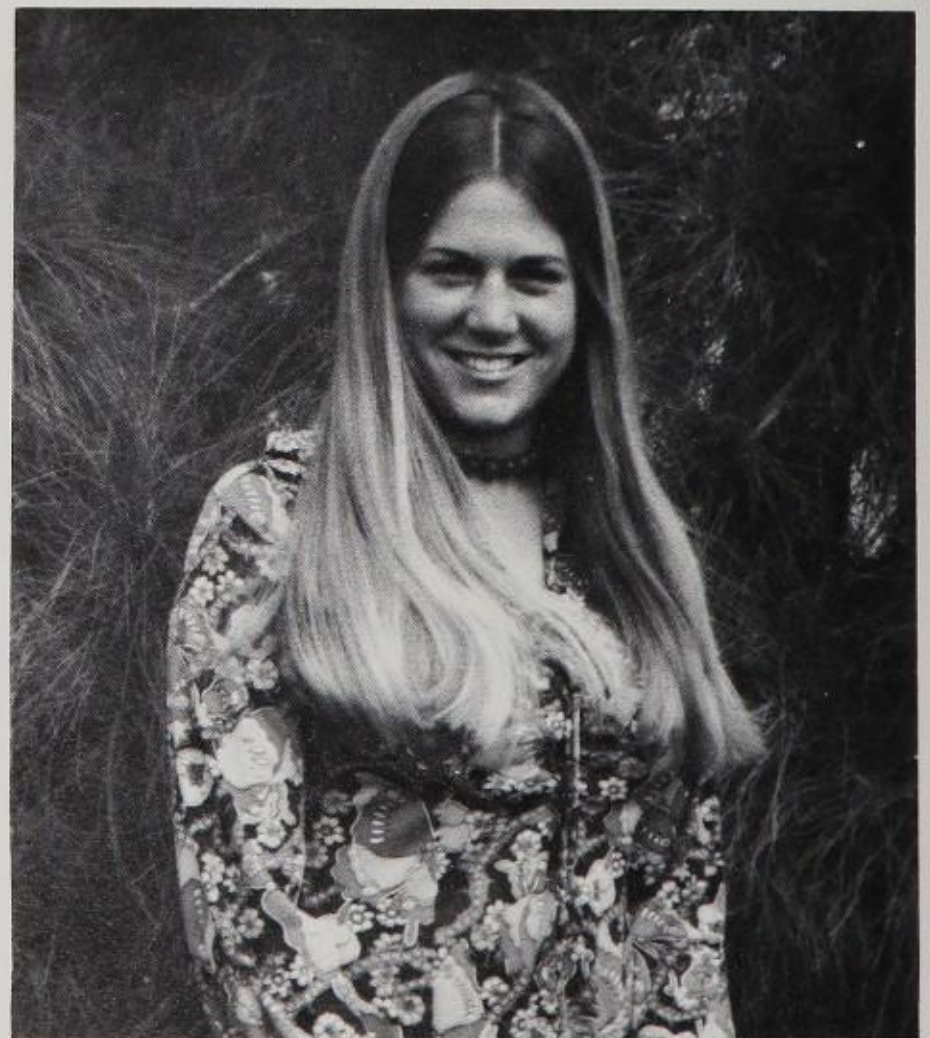

The main goal of the Fall Student Body Officers this year was to get students reinvolved with school activities. They did this by putting on Class Competition, where the three classes competed in tug-a-wars and other fun activities, sponsoring a back to school dance with a new, great band, "Midday Heat", and International Week, where each club of a different nationality planned activities such as a chopstick-rice eating race to display the customs of that race. All these activities were a great success and raised money for the student body funds as well as for the international clubs.

SPRING STUDENT BODY OFFICERS CONTINUE TO PROMOTE INVOLVEMENT

Spring Student Body Officers continued the good policy of student involvement. Activities promoting involvement were 50's Day, when all students were encouraged to dress according to the fashions of that era, Sole Power, a walkathon contributing to a helpful organization, and Pate Riot Day, when the girls got to ask their favorite guy to dress alike, and attend a dance at night after the day's activities. Stands and booths set up on these days helped to raise money for the Senior, Junior, and Sophomore classes.

FALL SENIOR CLASS OFFICERS BEGIN PLANS FOR THEIR LAST YEAR

The Fall Senior Class Officers started off this year by arranging elections for the seniors to vote on their choice of graduation announcements, senior gift, senior plaque, senior banquet, and caps and gowns. These final plans make the graduation a well-planned occasion. To raise money for the various senior gifts and expenses the senior class sold Student Directories, and sponsored the Christmas Formal.

SPRING SENIOR CLASS OFFICERS PLAN BUSY GRADUATION ACTIVITIES

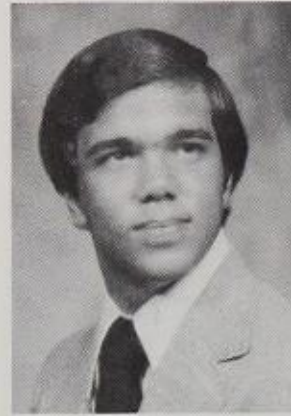

Senior Class Officers spent a busy Spring semester planning for their graduation. With the money accumulated by the class the last three years, they bought their senior gift, designed the senior plaque, sponsored the Senior Banquet, attended Grad Night at Disneyland and Baccalaureate. These events, all attended the last weeks of school keep seniors busy and make their last days in school especially memorable.

FALL JUNIOR CLASS OFFICERS BEGIN MONEY RAISING PROJECTS

The Fall Junior Class Officers began the year by organizing money raising projects, their main goal for the first semester. They sold pompons at the football and basketball games and sponsored the Junior-Senior Prom. These accumulative funds go toward expenses in their senior year.

SPRING JUNIOR CLASS OFFICERS COMPLETE TRADITIONAL ACTIVITIES

The Spring Junior Class Officers completed activities begun by the Fall Officers. They made all final arrangements for the Junior-Senior Prom, including decorations, entertainment, refreshments, and photography. The theme was "Warmth in the Sun". As is traditional, the Junior Class made it a huge success.

FALL SOPHOMORE CLASS OFFICERS ORGANIZE NEW HIGH SCHOOL CLASS

The Fall Sophomore Officers spent the first semester getting their class organized by competing in Class Competition and settling into high school activities.

This Page; top left; Sophomore Class President, Julie Reyes. Top Right: Vice-President, Debbie Troehler. Bottom Left: Secretary of Treasury, Judy Tilghman. Bottom Center: Secretary of Social Affairs, Linda Van Galder. Bottom Right: Historian, Debbie Schneider.

SPRING SOPHOMORE CLASS OFFICERS BEGIN THREE-YEAR SAVING

After organizing their class the first semester, the Sophomore Class Officers began activities to raise money for future expenditures. On Pate Riot Day they set up a dunking tank, where students and teachers could dunk their favorite people. This raised money for the class as well as helping students to have a good time.

This Page: top left; Sophomore Class President, Marti Von Essen. Top Right: Vice-President, Kristi Gregory. Bottom Left: Secretary of Treasury, Lori Scheidt. Bottom Center: Secretary of Social Affairs, Valerie Moeller. Bottom Right: Historian; Sherry Byrd.

THE BELLS OF YOUTH
ARE RINGING IN ALL THE SILENT PLACES
SPRING HAS RISEN WITH A LAUGH
AND IS SINGING THRU THE WORLD
CHILDREN RUN A LAUGHING
WITH JOY UPON THEIR FACES
THE WIND FOLLOWS WITH A SHOUT
THE BELLS OF YOUTH
ARE RINGING FROM THE FORESTS
TO THE MOUNTAINS.
HARK THEIR RINGING.
